# Handling of police fund proper but fund itself lacks authority

Handling of a special cash fund within the police department was described as proper yesterday by Granite City municipal officials but the fund itself has no basis within the law and has been ended, they said after an inquiry by the Press-Record.

Books pertaining to a Granite City Police Department fund, which now has been transferred to the control of the city treasurer, were found insufficient for Curry, Lenhardt & Co., certified public accountants, St. Louis, to express an opinion on the fund in their accounting concluded earlier this month.

In a cover letter accompanying the audit report, the firm said, "it was not possible to determine whether the fund was a complete system of internal control had not been implemented."

The firm added, "All cash recorded in the cash journal was accounted for. A written explanation for all expenditures had been kept, with approximately 60 per cent of these supported by some form of receipt or proof of payment."

In a separate letter with the audit, the firm concluded that the audit report "has been prepared from the books and

records without independent verification, and accordingly we express no opinion thereon."

The Police Department Cash Fund has been kept by the department through the tenure of several chiefs. The present chief, Ronald Veizer, says he has maintained the fund since he assumed the office.

Money in the fund comes primarily from payments for making photo copies of police department accident reports, primarily for insurance companies and lawyers. Charges range from \$1 upward, depending on the number of copies made.

A book of income to the fund

was kept, showing average daily intake of \$14.45 in January, with similar amounts in other months. A total of 155 entries was made in January, an average of 7.75 entries each day.

The January income was \$289; over a 12-month period such a rate would total \$3,468.

The audit showed the other months to be about the same as January, with annual receipts from Jan. 1, 1973 to Dec. 20, 1973, of \$3,982.

A cash balance on hand Jan. 1, 1973, minus disbursements of \$2,716, left a balance of \$761 on Dec. 20, when the fund was turned over to the treasurer's office.

Paul Rutledge, city treasurer, said \$761 was the amount of cash in the department's cigar box, in which the money was kept, when he took possession of the fund.

Veizer commented, "There was nothing whatsoever wrong in the handling of the account."

Mayor Paul Schuler also supported handling of the fund, saying, "I am satisfied there is no wrongdoing with the money. The chief has assured me everything is on the up and up."

Schuler added, "We investigated when we found out about this thing. Chief Veizer said this kind of fund was necessary to send officers to training, pay informants, pay for officials to attend meetings and this sort of things where you really do not have any funds to cover it."

"Coming to the (City) Council with \$10 or \$15 bills like these would only complicate matters. All other departments in the area we have questioned have some fund for these purposes," Schuler said.

Schuler said the "strict legality" of the fund may be questionable, which was the

# U.S. bars major sewer break aid

By HARRY BARNES  
Press-Record Staff Writer

The U. S. flood disaster agency responsible for aid grants to public agencies which suffered damage to sewers and other facilities in last year's floods has turned down \$200,000 of a \$235,000 application by Granite City to help finance repairs to broken sewer lines.

City Council members were informed Monday night.

As a result, Mayor Paul Schuler told the aldermen he is preparing to go to Washington next week to confer with representatives of the Office of Emergency Preparedness to renew the city's request for the funds.

Mayor Schuler said he will be accompanied by an attorney, a member of the council's Street and Alley Committee and a geologist. "We believe we have ample evidence to support our claims that last spring's floods were responsible for the sewer breaks for which these (rejected) claims were made," Schuler said.

The mayor told the council that he had been notified that \$200,000 of the \$235,000 application was approved, but that \$200,000 of it was rejected. At the same time, Mayor said, he received a voucher for \$100,000 which should be received within a matter of days. This is part of the money sought in earlier claims.

Thus far the city has received a \$150,000 allotment under applications for flood damage assistance, and will receive the \$100,000 for which the voucher was received this week, a total of \$250,000.

The city, however, has applied for damages totaling nearly \$1 million. The mayor said the Army Corps of Engineers which gives final approval of flood aid claims before sending them on for payment, has given its approval to about \$225,000 of the total.

Granite City already has paid more than \$1 million for repair of sewer breaks in the Nameeki

area due to last spring's floods. These payments, with only \$250,000 U. S. flood damage grants available thus far, are causing serious financial problems because of the drain on the general fund to meet repair costs.

In a related action Monday night, the council approved a request of the Street and Alley Committee to call bids on the purchase of three submersible pumps which would permit the street department to provide by-pass pumping at sewer breaks without a crew of men constantly in attendance.

Lionel Portell, city street superintendent, told the council the pumps would pay for themselves in a matter of months by relieving street department workers who are assigned around-the-clock at sites where sewage is being pumped around breaks. Much of this time is on overtime, he said.

Portell estimated the cost of the pumps at \$1,300 each, but the pumps would be set up and operated with only spot checking for maintenance.

The cost of dewatering at sewer breaks and for by-pass pumping has accounted for approximately 75 per cent of the \$1 million already paid for sewer repairs.

The council was told that the Fins Ernest Contracting Co. of East St. Louis which holds the contract for repairing sewer breaks is to repair three of the remaining five breaks, and that the other two will be handled by the street department. The city has had 25 sewer breaks so far.

# Traffic signal at restaurant

The Illinois Department of Transportation will modernize the traffic signal system at Nameeki Road and Madison Avenue in Granite City at no cost to the city.

The plan was announced at the regular meeting of the City Council Monday night in a request by Robert Kronst, district engineer of The Illinois Highway Department at Fairview Heights, that the city sign an agreement under which the improvement may be carried out.

Council members authorized Mayor Paul Schuler to sign any state-city agreements necessary to the project.

The mayor explained that the work primarily will involve relocation of the traffic signals from their present concrete and iron post standards to locations overhanging the highway intersection. Overhanging signals are designed as a traffic safety factor, Schuler said.

As a result of conferences with highway engineers, the improved traffic system will permit a left-hand turn for southbound traffic on Nameeki Road to enter what the agreement describes as a "platted" but non-existent

thoroughfare known as High Street. Actually, High Street is the entrance off Nameeki Road to the parking lot of Charlie's Restaurant, the mayor explained.

The agreement also will permit right turns only for traffic emerging from "High Street" onto Nameeki Road. Traffic will not be permitted to cross the center of the highway to make a left turn, the mayor explained.

The agreement outlined to the City Council Monday night, which Mayor Schuler was authorized to sign, provides that the state will make all surveys, obtain necessary right-of-way, prepare the plans and specifications, receive bids and award the contracts.

The state also will furnish engineering inspection during construction and to cause the improvement to be built in accordance with the plans, specifications and contract "and to pay all costs incident thereto."

In return, the city will agree to maintain the signal installation and to provide the power for its operation. The state retains the right to control the location and timing of the control signals.

# AVSCOM to remain in St. Louis

There will be no change in the headquarters of the Aviation Systems Command (AVSCOM) at St. Louis, Secretary of the Army, Melvin Price (D-23rd Illinois district) at Washington this morning.

Secretary Calloway was scheduled to make the announcement in Washington before noon today, Cong. Price said. The congressman said the secretary informed him he had "taken a long hard look" at the matter "and could see no sufficient reasons for changing the location" of AVSCOM.

# Gibbons fighting 'politics'

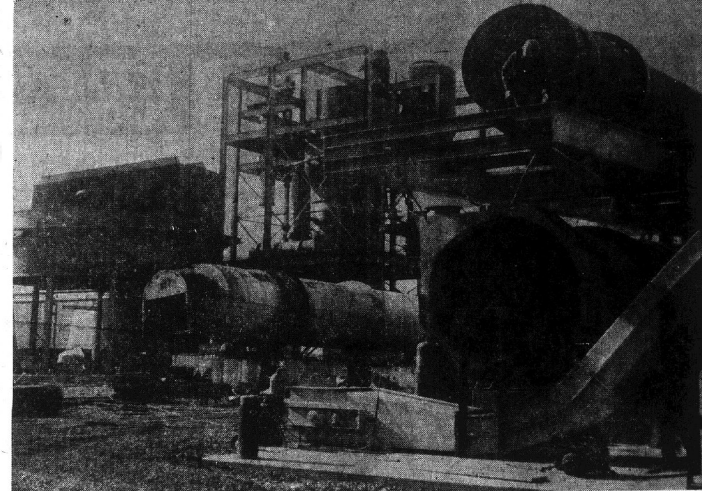

Bill Gibbons, 15 Fontainebleau, one of three candidates for the Democratic nomination as County Board member from District 26, today charged there is not "a dime's worth of difference" between the other two aspirants, Edgar Patrick and the incumbent member, Nameeki Township Supervisor Louis Whitsell.

Answering earlier statements by the two, Gibbons noted that Patrick has assailed Whitsell for collecting per diem pay for many committee meetings, some called "unnecessary." Gibbons speculated that Patrick would accept pay for such meetings as part of his livelihood.

He charged that both foes had extensive political organization connections and countered, "I will not have a big stack of political IOUs to pay when elected, while my opponents would have."

Gibbons said, "Mr. Whitsell claims to have organized the movement on taxes, bringing suit against himself, by him being on the County Board. He should have considered this long before now and made sure that the people were taxed fairly and equitably throughout Madison County."

# Nameeki to assume tax collection duties

Nameeki Township plans to return to collection of taxes by the township collector rather than depend upon the county treasurer's office, although the township will have to bear the cost of the program.

The decision to renew the local collection program was reported following announcement of a legal opinion clearing the way for such action at a regular meeting of the Nameeki Town Board Monday night.

The opinion, given by William Schoof, township attorney, holds that townships have the authority to collect taxes through the township collector, but that township collectors no longer can be paid expenses and salaries from fees received for collections as in past years.

Schoof noted that this means the town collector would

have to be given a salary and operational expenses out of the regular town budget.

The 1970 Illinois Constitution continued the office of town collector, but eliminated the fee system under which the town collectors operated. Prior to adoption of the constitution, town collectors retained 2 per cent of the taxes collected, deducted their salaries and operational costs from the total and turned over the surplus to the town fund.

With elimination of the fee system by the constitution, town collectors had no means of funding operations and taxes were collected by the Madison County treasurer last year at a cost to the county of more than \$1 million.

Louis Whitsell, Nameeki Township supervisor, said yesterday that he believes the town collector would

local collection systems are more efficient and result in quicker tax collections and therefore quicker distribution of funds to taxing bodies. He said Nameeki Township still has not received all of the taxes due from collections by the county last year.

He said a budget of from \$12,000 to \$13,000 in the town fund was expected to set up in the 1974-75 town budget which will

be completed soon and posted for public inspection in early February. The last budget for operation of the collector's office provided a \$8,000 salary for the collector, plus about \$7,000 for deputies, salaries, office costs and expenses for preparing tax bills.

The board Monday night approved a resolution setting

# Robber gets \$400 at tavern

An armed robber took \$400 from the Orchard Lounge at Maryville and West Chain of Rocks roads at 12:55 a.m. Tuesday.

Leila Quigley of Bethalto, a barmaid, said she was tending the bar when the man entered. She said she talked to him for a moment and then noticed a pistol in his right hand.

He said, "Don't move and give me all your money. Bills only," she related. She recalled saying "Don't shoot" before she emptied the bills from the cash register and gave them to the man.

He left through the front door and two customers ran after him east on Chain of Rocks Road until the robber fled into

the woods.

The barmaid and witnesses described the man as about 6 feet tall, slim and wearing a black knit cap, black and blue jacket and wearing either a mask or a stocking over his face.

Office plan not final but likely

A proposed state office building at 1820 Cleveland Blvd. remains an active possibility but the transaction has not been fully consummated, the Press-Record learned today. The project was announced in Springfield Jan. 10 and was published in that day's Press-Record.

The proposal involves Three Star Construction Corp. of Granite City erecting a 5,000-square-foot office building and a parking area on a 110-foot lot now used for parking.

The structure would house two state offices—the Illinois State Employment Service and the Division of Unemployment Compensation.

State Rep. Horace Calvo introduced a resolution in the House Tuesday seeking an investigation of the lease plan, he called it a "bizarre case" in that the building does not yet exist and the property owner, First Granite City Savings and Loan, has not taken formal action to sell it.

Calvo said Director Roland Burris of the State Department of General Services executed the agreement, calling for \$1,400 monthly rent for 84 months. His resolution would direct the Legislative Investigation Commission to consider the terms and circumstances.

# Honor Veizer

By VALERIE EVENDEN  
Press-Record Staff Writer

Close to 800 law enforcement officers, elected officials, civic leaders and guests convened Monday evening in the Central Ballroom at Stouffer's Riverfront Inn, St. Louis, to conclude the largest conference ever sponsored by the Illinois Association of Chiefs of Police.

Installed as president at the banquet was Police Chief Ronald J. Veizer of Granite City.

Police Chief Clarence Ostrowski of Niles, immediate past president, installed the local chief and also George Graves of Western Springs, as first vice-president; Bill Brey, chief security officer, Illinois Department of Conservation and former Danville police chief, second vice-president; and Chief Merle Justus of Cahokia, third vice-president.

A total of 789 conference board members heard Illinois Lt. Gov. Neil F. Hartigan present a strongly worded

address on "government service as a means of progressive, intelligent change in an orderly way."

Special guests at the banquet included Chief Veizer's wife, Wilma, their seven children and his parents, Mr. and Mrs. George Veizer of Granite City.

Other distinguished guests introduced were Granite City Mayor and Mrs. Paul Schuler, Madison Mayor and Mrs. Mike Sasyk, Cahokia Mayor and Mrs. Bob Jackson and State Rep. and Mrs. Horace Calvo.

With exception of two, all present together with representatives of the Board of Fire and Police Commissioners, fire department and other city officials.

# Surface drainage fund bill

Sen. Sam M. Vadalabene this week introduced legislation which would appropriate \$300,000 to the Department of Transportation to make a grant to the Southwestern Illinois Metropolitan Area Planning Commission to complete a surface drainage and flood damage abatement program effective July 1, 1974.

"In my duties as chairman of the Legislative Advisory Committee for SIMAPC, I recognize how badly this program is needed," Vadalabene commented.

"The grant will permit it to complete a comprehensive surface drainage and flood

damage abatement program for the major drainage basins located within Madison, St. Clair, Monroe and Randolph Counties.

"Our experience with the floods last year left some real scars. We can only pray that this year does not bring the same pressures. In any case, we are moving ahead to deal with a problem that affects all of us in a serious way."

# Contract to aid 4 intersections

Award of a \$316,377 contract to MacIair Asphalt Co. of Collinsville was announced in a list of 15 projects totaling \$21,700,000 announced Wednesday by the Illinois Transportation Department.

MacIair will resurface and widen pavements and install traffic signals at the Madison Avenue intersections with Niedringhaus Avenue and 20th, 23rd and 27th Streets.

## Security guards require training

All security guards who carry concealed weapons and are employed by licensed detective agencies July 1, 1974, and thereafter must have successfully completed a minimum of 36 class hours in training, according to Dr. Dean Barringer, director of the Illinois Department of Registration and Education.

The new requirement is the result of legislation signed by Gov. Dan Walker.

GRANITE CITY PRESS-RECORD  
Page 2 Thurs., Jan. 31, 1974

A course outline for security guard training was adopted at a meeting conducted by the Illinois Detective Examining Committee and his own department, Barringer said. The minimum course consists of, but is not limited to, 20 hours on theory of law enforcement, five hours on liability for acts and five hours on handling of weapons.

Weapons the law refers to include firearms, knives and

instruments emitting noxious substances.

He said the course of study must be supervised by his department. Any individual, agency or institution wishing to teach the course must apply for approval on forms supplied by the department.

Security guards required to complete the course for registration will be issued certification which must be carried on their persons.

The Detective Examining Committee will soon complete the drafting of the application forms. The forms will be avail-

## Engineers stress flood readiness

The St. Louis District, U. S. Army Corps of Engineers, has given top priority to 1974 flood readiness.

"The early situation on St. Louis District rivers indicates exceptionally high flows for the time of the year and flood storage capacity at the Corps' lakes in the area has been used to store runoff," a spokesman said Tuesday.

"Army engineers indicate that 40 per cent of the reservoir

flood capacity has been used at this time.

"Downstream, the Ohio River is currently with increased flood stage at Cairo, Ill., and shaller tributaries in Missouri and Illinois are running from two to three feet over flood stage to backflow.

"While it is still too early to predict a repeat of the 1973 flooding, the District is alert to the possibility and is taking all steps necessary in preparation for a major flood fight. Condition of the levees is rated as good," the spokesman said.

"Emergency measures are being taken and most of the damage done in 1973 should be fully repaired by March 1. All work is under contract, with work proceeding on a full schedule.

"The Corps will conduct a spring inspection program in February with levee boards and drainage districts, with special

emphasis on those locations that created problems in 1973.

"Material stockpiling has been augmented with increased supply of sandbags, plastic sheeting and snow fence now on hand.

"Most of the pumps and generators used during 1973 have been overhauled and cleaned and the balance will be ready by the end of February.

"The Corps is fully geared to handle a flood emergency, even more so than last year.

"A revised flood procedures manual, established emergency plans for problem areas, and additional trained personnel have been incorporated into the flood fight operations."

Col. T. Roger Peterson, St. Louis District engineer, told the Press-Record that the emergency operations team is "acutely aware of the situation on the rivers and the somewhat ominous parallel in flows this

year to last season:

"We are alert to any changes or conditions which might endanger life or property should we have a flood this spring. Our alert status will continue throughout the coming spring."

Col. Peterson said.

The St. Louis District, as well as the other Lower Mississippi Valley Army Engineer Districts at Memphis, Vicksburg and New Orleans, were alerted to hasten their preparations last week by Maj. Gen. Charles C. Noble, the Lower Mississippi Valley division engineer and president of the Mississippi River Commission.

The anticipated flood season now has the St. Louis area starts about March 15 and continues through July, but floods in the St. Louis District have occurred in all seasons.

## Illinois Death Row is gone

Nineteen are now in the ordinary correctional facilities.

Three, all convicted murderers who allegedly took part in the Menard prison riot when inmates took over the dining room and three officers died, were found to still require segregation and are being held in separate maximum security segregated facilities. One of the three is a Granite Cityan.

Eventually, says Corrections Director Allyn Sieff, Death Row at Stateville will become a segregation unit for Stateville inmates who require something more than routine handling for their own sakes or for the safety of other inmates and personnel.

In the past, Stateville has had no such holding area, and prisoners requiring segregation but not under death sentences, had to be taken to the Joliet branch of the correctional program to be reevaluated and reassigned.

At Joliet, segregated cases

have been assigned to the Special Programs Unit (SPU), which has drawn strong protest from inmates and outside groups interested in penal conditions.

Sieff said the department now has a target date of March 1 for terminating the Special Programs Unit.

In its place, smaller units for segregating difficult prisoners will be set up at various institutions where they can receive better attention and the basic human services can be improved, Sieff said.

Meanwhile, the Death Row building stands empty, for now.

Some say the whole concept is fading steadily farther back into the realm of the "late, late show" on television where the last walk, the mumbled chaplain and the dimming lights were mainstays of a whole type of filmmaking.

## Window displays to mark Scout month

The story of Cub Scouting, Boy Scouting and Exploring will be told in several window displays throughout the Quad City area Feb. 11 through 16, according to Dave Brooks, assistant chairman of the Unwaukegan District of the Cub Scouts of America.

Scout units will be judged on their displays on Saturday, Feb. 16. Three types of ribbons will be awarded, "High Honors," "Honors" and "Participating," based on how well the display is done.

Units planning displays are asked to notify the Scout Service Center, 1338 N. Washington Ave., before Feb. 11, of the location and general theme of the display.

Brooks said a list of area stores that will give Scouts window space for the week is available at the Scout office. The 64th anniversary of the Boy Scouts of America is to be celebrated nationally during February.

In addition to the window

displays, Cub Scout Packs will hold special Blue and Gold dinners and Scout Troops and Explorers Posts will hold "open house" for prospective new members.

On Saturday, Feb. 9, beginning at 6:30 p.m. at the Trinity Lutheran School in Edwardsville, Scout leaders will attend the annual Scout Appreciation dinner.

Many of the churches sponsor Scouting units and special services on one of Sundays during February, honoring the Boy Scouts of America.

## Halbert named to board for development

Officers were elected Tuesday by the board of directors of the Illinois Metro East Industrial Development Corporation.

Paul C. Boyne of East St. Louis was re-elected as president. William C. Shreck of Collinsville was elected as vice president, and Richard H. Dykes and Arthur C. Becker, both of Edwardsville, were elected to the posts of secretary and treasurer.

New directors elected for three-year terms on the board include Boyne, Paul G. Halbert of Granite City, general manager of the Press-Record, and James Johnson of East Alton. James Jolley of Belleville, Ralph Korte of Highland, Shreck and Richard E. Van der Grinten of Belleville, were also elected to the board.

## Robber holds man hostage

Scott Harris, 739 Twenty-seventh St., reported he was robbed and held as a hostage by a man who offered a ride to a man at 11:45 p.m. Tuesday. He reported the incident to police Wednesday.

Harris said the passenger displayed a pistol in the 2500 block of Benton Street and demanded money. Harris gave him the 60 cents he had, he related.

The man then demanded Harris drive him to several taverns in and near Madison to help him find a friend, according to Harris. He said he drove to about 12 taverns and the man forced Harris to get out of the car at each one. Harris hid his pistol in his pocket.

After the last tavern stop, Harris told the robber that he was almost out of gasoline. The gunman had Harris drive him to downtown Granite City where the man got out in the 1300 block of 19th Street.

reason control was shifted to the city treasurer.

"Now we are going to have to come up with another way to provide these small funds to the police when they need them," the mayor commented.

The accounting firm studied the fund from June 1971 through Dec. 20, 1973, and indicated that the fund was in a state of disrepair.

Disbursements listed in the fund, with receipts to account for about 80 per cent of them, included \$60 for photocopy machine supplies and costs, \$523 for equipment rental and purchases, \$613 for attendance at conferences and meetings, \$215 for police training costs, and \$379 for other office supplies.

Most disbursements shown in the ledger book were marked simply to "Chief of Police," with Veizer then distributing the money and returning slips to account for the spending of the money when he obtained slips.

## Manuel Rabey dies here

Manuel H. Rabey, 86, of 1723 Edison Ave., died at 3:50 p.m. Wednesday at Colonial Haven Nursing Home where he had been a resident one day. He had been ill only a few days, according to the family.

Rabey was born in Water Valley, Ky., and had resided in the Quad-City area since 1918. He retired from Hub Construction Co. where he was a carpenter on a project at the residence of Virgil Wicker, 2042 Park Ave., and Mrs. Marcella Ellridge, Chaffee, Mo., disappeared from Chaffee Tuesday.

The parents reported she has friends in Granite City and may have come here. Police have been asked to investigate. She left home for school Tuesday, but did not arrive at the school. She did not take any money or excess clothing from her home in Chaffee, the family said.

She is about 5 foot, 2 inches tall, has light brown hair and green eyes and was wearing blue pants, a flowered blouse and a brown checked coat when last seen. Persons having information which could assist in locating her are requested to contact the Granite City Police Department.

Albert Bell, township highway commissioner, reported the township's environmental cleanup program has resumed and a normal schedule should be in effect by Monday. Trash and limb collection was discontinued during heavy snows last month.

## VanMetre going to Carbondale

Marvin VanMetre announced his resignation as executive director of the local YMCA at a meeting of the YMCA Executive Committee Monday at noon, according to Fred Cunningham Jr., president of the Tri-City Area YMCA.

On March 1, Van Metre will begin his duties with the Greater Carbondale Area Chamber of Commerce as executive director. He joined the staff here in 1966 as membership director and assumed the executive director position in 1970.

Cunningham said he has appointed a selection committee to report on guidelines for hiring a new executive at an executive committee meeting Feb. 4.

## False sales calls

A caller who says he represents "local jewelry stores" is attempting to arrange sales visits, it was learned this week. No such telephone sales approach to up home visits has been authorized, and those contacted are being asked to notify police.

Raymond L. Henley of Granite City, 24, has been selected "man of the year" in the Brunner Agency and Connecticut Mutual Life Insurance Co. The award is based on volume and quality of insurance programs.

A \$20 million coal terminal is to be built at Columbia Bottoms in north St. Louis County to transfer Montana and Wyoming coal from trains to barges.

The steel industry opened contract talks yesterday in Washington, with emphasis on wage boosts. Steelworkers have waived a nationwide strike in return for a guaranteed minimum wage increase. Arbitrators were chosen to act if a contract has not been reached by April 15.

Three men associated with a metal stamping firm were indicted Wednesday in Chicago on charges of paying the late Secretary of State Paul Powell \$80,000 in bribes in return for contracts to produce state auto license plates.

A bill filed Tuesday by State Rep. Monroe (R-Granite City) calls for the St. Clair County board chairman to pick three members and Madison County board leader to name two members of a new East Side Levee and Sanitary District governing body. It calls for a November election to replace the present elected levee board. It would require the executive director to be a professional engineer.

**\$2,500 FIRE DAMAGE**  
Fire caused an estimated \$2,500 damage to two apartments at 10:30 a.m. Tuesday in 8512 near Grand Ave. The blaze was believed due to faulty wiring in the kitchen of a downstairs apartment occupied by Jerry Respondek. It burned up a wall into the upstairs apartment of Linda Stuffleben. The building was rented and owned by Ann Nadziejko who lives in another part of the building. Firemen were on the scene more than one hour.

## Missing girl is sought here

Debra Louise Wicker, 16, daughter of Virgil Wicker, 2042 Park Ave., and Mrs. Marcella Ellridge, Chaffee, Mo., disappeared from Chaffee Tuesday.

The parents reported she has friends in Granite City and may have come here. Police have been asked to investigate. She left home for school Tuesday, but did not arrive at the school. She did not take any money or excess clothing from her home in Chaffee, the family said.

She is about 5 foot, 2 inches tall, has light brown hair and green eyes and was wearing blue pants, a flowered blouse and a brown checked coat when last seen. Persons having information which could assist in locating her are requested to contact the Granite City Police Department.

## Reports robbery, beating

Robert Leyland, 49, of Cleveland, Ohio, who had been residing in room 212 of the Travelodge in Granite City, reported at 2:10 a.m. Wednesday that he had been beaten and robbed.

His motel room had blood inside and showed signs of struggle there, police reported.

Leyland said he picked up a hitchhiker in Collinsville who beat him, but later said he met a man in a Granite City tavern and they met other men in another tavern before several persons went to his room.

Police said a gun apparently was used in the beating. Leyland did not say what was taken from him. He suffered a cut in his nose, a chipped tooth and bumps or cuts to his head. He declined medical treatment on two occasions when taken to St. Elizabeth Hospital by police.

At 10:30 p.m. Wednesday, police arrested Glen E. Morgan, 27, of 2901 Dale Ave., at Denver and Jefferson streets, on complaints signed by Leyland charging Morgan with robbery and aggravated battery.

## Former Madison man dies

Frank Patrick Purcell of Frankfort, Ind., a former longtime resident of Madison, died at 2 p.m. Wednesday at St. Elizabeth Hospital in Lafayette, Ind.

Mr. Purcell retired about three years ago from the Nickel Plate Railroad after working for the company more than 30 years. He is a former yardmaster at the Nickel Plate yards in Madison.

He was born in Madison County and was the son of the late Mr. and Mrs. Patrick Purcell, who resided in the Edwardsville area. He also was preceded in death by his brothers, Robert, Joe and Jim, and a sister, Miss Jane Purcell. All were area residents.

Mr. Purcell is survived by his wife, Mrs. Cora Purcell; a sister, Mrs. Abe "Link" (Bessie) Harlow of Granite City; and several nephews and nieces.

Funeral arrangements are being made in today's obituary column.

program that can work with swift, vigorous prosecution, and a better understanding of your (police) needs in the decision making process—well before that decision is made.

During the three-day convention, training mini-workshops were conducted simultaneously over a single three-hour period.

The practice was successfully implemented last year on an experimental basis. Chief Veizer explained, and permits the confere to take part in all sessions.

Sessions involved "Police Morality" taught by Frank A. Manella, a sociologist and coordinator of the Police-Community Relations, Police Training Institute, "Leadership Behavior," Everett P. Gibbs, and expert in polygraph examination and a former Illinois Bureau of Criminal Identification investigator; and "Attack," given by Elwood T. Luellen, coordinator of Management Studies with the Police Training Institute and former police chief of Kokomo, Ind., and Howard County (Ind.) sheriff.

Chief Veizer joined the Granite City Police Department in 1954 after spending 31 years on active duty with the U. S. Navy. He was assigned to the detective division in 1965 and was promoted to sergeant in 1968. He has held the position as police chief since 1967.

He has been active in the 621-member Illinois Association of Chiefs of Police since 1967 and has held four previous offices.

## Blast furnace oil tanks built

Two new fuel oil tanks were completed this month and are being placed in use in Granite City Steel's Blast Furnace area. They will supply oil to the A and B furnaces to help offset cutbacks in the supply of natural gas.

Each has a capacity of 740,000 gallons and each is equipped with three 85-gallon-a-minute pumps. Located south of the blast furnace spray pond, the tanks are designed to accept either rail or truck delivery of oil.

The B furnace has been on oil since December, drawing fuel from an existing 60,000-gallon tank which also supplies the No. 11 boiler. That tank will remain in use to service the boiler.

Two years ago, the steam generator at Granite City Steel was converted from coal to oil. Fifteen months ago, the hot strip slab furnaces were converted from gas to fuel oil.

**TOYS ARE TAKEN**  
A toy pop gun, a cap gun and several small toy cars were all that were taken in a burglary at the home of Mary Chronister, 1739 Edison Ave., which was reported at 6:45 p.m. Tuesday. The tool shed had been entered and a small panel to the home pushed in to gain entrance, it was noted.

FRIDAY, \$1.49 AT GRANTS

## Rites held for 18th mayor

The 18th mayor in the 78-year history of Granite City, Donald W. Partney Sr., was buried Tuesday afternoon at Sunset Hill Cemetery.

Funeral services conducted at the Mercer Mortuary chapel were attended by a large gathering. Mr. Partney, mayor from 1965 to April, 1973, died Jan. 26 at St. Elizabeth Hospital.

Silent prayer was offered in his memory at a meeting of the City Council Tuesday evening. He served as an alderman for 18 consecutive years prior to being elected to the first of two four-year terms as mayor.

Mayors of Granite City starting in 1896 have been J. G. McRobert, Mark Henson, Julius Rosenberg, John Edwards, Alvin Morefield, John B. Judd, Morgan LeMasters, Charles A. Uzzell, George C. Steele, Bert E. Hodges, R. E. Robertson, A. M. Jennings, E. B. Grantham, Charles W. Moerlein, Leonard R. Davis, Donald W. Partney and the present Mayor, Paul Schuler.

A Navy veteran of World War II, Mayor Partney was a member of Quad-City Armvets Post 51 and the American Legion. He was a sheetmetal contractor and served as president of the Tri-County Sheet Metal Contractors in 1957. He also had served as president of the Tri-City Shrine Club, United Welders of America and Logan PTA.

Honored in 1956 for civic achievement as a Fourth Ward alderman, he was the recipient of honors from many

organizations, including St. Elizabeth Hospital. Memorials are being given in his honor to the Shrine's Hospital for Crippled Children. His affiliations also included Shrine and Masonic groups and the Elks.

A nearly lifelong Granite Cityan, Mr. Partney once commented, "My uncle, V. Dickey, served as an alderman in Granite City in the early 1900s, and you might say this was the start of my interest in city government."

"He firmly believed that if

you were in a community you should try to understand it and carry your share, or share, of the responsibilities.

"At the age of about ten, I can remember my uncle taking me with him to the City Council meetings. He never let me forget that I owed something to the people of Granite City who had given of themselves before me that we might have a nice community."

"He also instilled in me the fact that we, of the present, have an equal obligation to those who are yet to come."

## Mrs. Elsie Jackson dies

Mrs. Elsie D. (Haller) Jackson, 66, of 2224 Benton St. died at 10:15 a.m. Tuesday in Firmin Desloge hospital where she has been a patient for more than two months.

Born in Mount Olive, Ill., she had lived in Granite City since 1936.

She is survived by her husband, Harry Jackson, one brother, Carl Haller of Mount Olive, three sisters, Mrs. Carolyn Gandolfo of St. Louis, Mrs. Anna Thomas of Mount Olive and Mrs. Ardian Wallace of St. Louis.

Funeral arrangements are listed in today's obituary column.

**7 face charges**

Seven young men were charged with illegal possession of alcohol after Granite City police stopped their car in the 2700 block of Madison Avenue during the weekend.

Charged were: Terry Crutts, 19, of Highland; Randall Grizzle, 18, of Sorrento; James Alexander, 23, of Donnellson, Ill.; and Calvin Burge, 19, Mike Eaton, 19, James Hulve, 20, and Tom Maroon, 23, all of Greenville.

Crutts also was charged with illegal possession of cannabis and was released on a \$125 cash bond.

He retired in 1970 at the F. W. Woolworth Co. She was active in the Concordia Lutheran Church and belonged to the Ladies Aide, choir and the church's senior citizens group.

She is survived by her husband, Harry Jackson, one brother, Carl Haller of Mount Olive, three sisters, Mrs. Carolyn Gandolfo of St. Louis, Mrs. Anna Thomas of Mount Olive and Mrs. Ardian Wallace of St. Louis.

Funeral arrangements are listed in today's obituary column.

**HURT IN ACCIDENT**  
Kenneth Johnson, 3008 Willow Ave., was treated at St. Elizabeth Hospital at 6:45 p.m. Monday, about one-half hour after he was involved in an automobile accident. He was treated for abrasions to his left elbow and left knee and was released.

**'Our Town' by GCHS-N tonight**

The curtain will rise at 8 p.m. today in the Granite City High School-South auditorium as the Pulitzer prize play by Thornton Wilder, "Our Town," is presented by North students under the direction of F. Gordon Mueller, speech and drama instructor at North.

Tickets will cost students 75 cents and adults \$1 in advance, and \$1 and \$1.50 at the door.

Members of GCHS-North faculty assisting are Mrs. Mildred Collins, costuming; Mrs. Gail E. Mueller, musical direction; and Dr. Goni Michaeloff, head of the speech and drama department.

Funeral arrangements are listed in today's obituary column.

**2 more men arraigned in gun case**

Two more men were arraigned this week in Federal Court at Alton on charges stemming from an investigation into the illegal sale of firearms to Missouri buyers.

Carroll Ray Pigg, formerly of Granite City who now resides in California, appeared Monday on two counts of selling firearms to a person in violation of state and one count of receiving firearms after having been convicted of a felony. He was held in lieu of \$5,000 cash or surety bond.

Lloyd Brooks, 3010 Braden Ave., Lot 28, appeared Tuesday on a charge of selling firearms to the resident of another state. He was released on a recognizance bond. Pigg and Brooks were indicted earlier, but the indictments were suppressed pending their trial.

Six other men from Madison County, including three from the Quad-City area, were charged with them on the same charge as Brooks. They were arrested earlier this month. They were Frank Butch, 3128 Carlson Ave., released on \$1,000 cash bond; Clifford Hamilton, 1929 Sixth St., Madison, out on \$5,000 cash; and Jack W. Moad, 5 Fontainebleau Drive, Ponton Beach, released on a \$5,000 surety bond.

The indictments were the result of an eight-month investigation by agents of the alcohol, tobacco and firearms division of the U. S. Treasury Department.

**C. R. Hickerson services held**

Funeral services for Claude Ray Hickerson, 75, a former resident of Granite City who more than 50 years, were held at Edwarsville Jan. 25. He died Jan. 26 in Pensacola, Fla., where he had lived for the past ten years.

He was retired as a supervisor at General Steel Industries, and was a 50-year member of the Odd Fellows Lodge 719 in Venice. He was a member of the First United Presbyterian Church in Granite City.

He leaves his wife, Mrs. Edna F. Hickerson of Pensacola; one daughter, Mrs. Donald (Marie Louise) Byrkit of Pensacola; one sister, Mrs. Ruth G. Canner of Venice, and three grandchildren.

**MAN HURT IN CRASH**  
Joseph Magyar, 52, of 801 Niedringhaus Ave., was admitted to St. Elizabeth Hospital after his car struck a parked Acme Transfer Co. tractor-trailer from Port Dodge. He died at 6:45 p.m. Tuesday. Magyar suffered fractures to his left ribs and a bruise to his chest. He was charged with reckless driving.

## Lavern Turner dies at 61

Lavern A. Turner, 61, of 2417 Jordan Ave., died at 11:30 a.m. Tuesday in St. Elizabeth Hospital. He had been ill the past several years.

Born in Nameoki, he moved in the early 1950s to Los Alamos, N. M., where he worked for 19 years as a machinist for the Los Alamos Scientific Laboratories. He returned to Granite City in 1960.

He is survived by his wife, Mrs. Lorraine Turner, two daughters, Mrs. Thomas (Joyce) Johnson of Maryville and Mrs. John (Karen) Busse of Granite City; one brother, George Turner of Abilene, Tex.; one sister, Mrs. John (Glady) Hutson of Granite City; and five grandchildren.

Funeral arrangements are given in today's obituary column.

**MRS. CATHERINE RYCKMAN**

**Mrs. Ryckman dies at 84**

Mrs. Catherine Ryckman, 84, of 2426 State St., died at 10:30 a.m. Wednesday in St. Elizabeth Hospital where she had been a patient since Dec. 11.

Born in Venice, she lived in Granite City since 1925 and was a member of the Sacred Heart Roman Catholic Church.

She was preceded in death Aug. 29, 1958, by her husband, James Ryckman.

She is survived by one son, Theodore Wolf of Granite City; four daughters, Mrs. Edwin (Ellen) Gangluff, Mrs. Cal (Ernestine) Pendleton, Mrs. Catherine Powers, all of Granite City; Mrs. Agnes Kolch of Las Vegas, Nev.; one sister, Mrs. Elizabeth Wolf of Granite City; two brothers, Fred and Leo Devany of Venice; seven grandchildren and 10 great-grandchildren.

**Madison to qualify for flood insurance**

Madison Mayor Mike Sasyk informed the City Council Tuesday night that the city's legal staff is preparing resolutions and other documents for adoption at the Feb. 26 city council meeting to qualify Madison residents for flood insurance.

A report by Chief of Police Frank Dulko listed 22 burglaries during the month of December, an increase of 12 over the same month of 1972.

The report said there were 2,477 radio, telephone and logged entries; 15 traffic arrests and 10 arrests for other than traffic violations. A total of \$455 was collected in fines during the month.

Mayor Sasyk reminded the aldermen that city vehicle

stickers are free until 4:30 p.m. Feb. 15, after which there will be a charge of \$5 for autos, \$4 for motorcycles and the cost of truck stickers will vary according to size of the trucks.

He said the comptroller's office will be open from 9 a.m. to 5 p.m. on Saturdays until the deadline.

It was reported that only one bid on asphalt material was received. The bid was from the MacIair Asphalt Co. for \$150.50 a ton.

Bids for salt included Morton, Cargill and Dornier companies, all at \$12.30 a ton; International Salt, \$13.30; and Gunther, \$17.30.

The bids on the salt and asphalt material were referred to the purchasing committee for study.

**Mrs. Ballesteroz dies**

Mrs. Lucy (Gonzales) Ballesteroz, 53, of 2263 N. Rodgers St., Alton, died at 3 a.m. Wednesday in Firmin Desloge hospital where she had been a patient for the past two weeks. She had been ill since May.

She moved to Granite City when 5 years old from Durango, Colo., where she was born, and lived here 13 years before moving to Alton.

She is survived by her husband, Jesse E. Ballesteroz; three daughters, Mrs. Albert

(Sally) Epperheimer of East Alton, Mrs. Robert (Carmel) Byrne of Granite City, and Mrs. Timothy (Virginia) Sanders of Bethalto; one brother, Ernest Gonzales of Granite City.

Three sisters, Mrs. Robert (Eneida) Beckett, Mrs. Larry (Matilda) Martinez and Mrs. (Eneida) Dora Darnell, all of Granite City; her father, Cenobio Gonzales of Granite City; and eight grandchildren.

Funeral arrangements are listed in today's obituary column.

**Broadway job in two weeks**

Acting Mayor Lloyd Patterson of Venice announced yesterday that construction work on the Broadway

reconstruction project is expected to begin in mid-February, weather permitting.

The construction conference was held Wednesday at the Department of Transportation office in Fairview Heights between the contractors, state engineers and

city officials.

"The construction work has been planned so that there will be no interruption of regular traffic and the contractors plan to hire as many local people as possible," Patterson said.

The contract was awarded to the Kern Construction Co. and S. and E. Minnery. Construction is expected to take nearly two years.

**MERTA meeting set tonight**

Mayors and municipal officials in the area of the East Madison County and Sanitary District will meet for the third time tonight in an effort to determine the membership of a controlling board for the Metro-East Regional Treatment Association. Tonight's meeting will be held in Washington Park at the Firemen's Hall, beginning at 7 p.m.

The association was organized to create, plan and construct a secondary sewage treatment system that would serve all communities within the levee district through a single system rather than by construction of multiple treatment plants in various parts of the area. Cost of the facilities has been estimated at \$32 million.

**Rites held for Floyd Hart, 70**

Funeral services for Floyd M. Hart, 70, of Colorado Springs, Colo., were held yesterday morning in a Granite City funeral home. Burial was in Sunset Hill Cemetery.

He died Jan. 25 in Memorial Hospital at Colorado Springs. Survivors include his wife, Mrs. Jessie Hart, a daughter, Mrs. Marlene Brand of St. Louis, a stepdaughter, Mrs. Roger Groff of Granite City; two brothers, Earl Hart of Belleville, and one grandchild.

## Aspects of new 55 speed limit assailed

Sen. Sam M. Vadalabene, D-Edwardsville, expressed disappointment Wednesday at the Senate's refusal to adopt the so-called "McCarthy amendment" to a bill lowering the maximum Illinois highway speed limit from 65 or 70 miles per hour to 55 because of the energy crisis.

He was among 12 Democrats and two Republicans supporting

Senator McCarthy's amendment establishing as a fine rather than a "moving violation" the penalty for speeding above the new 55 limit but not exceeding the old 70 limit.

The Senate passed the measure lowering the speed and left the penalty the same as it is now for over-70 driving—a fine.

"Moving violation" that counts on a driver's record. The House also acted, and the effective date is Feb. 25.

"The 70 limit was established primarily for safety reasons," Vadalabene explained. "This

new, lower limit was passed to help conserve fuel, so we are talking about two different motives for having a speed limit."

"Because of the safety factor, I believe exceeding the 65 or 70 maximum is just as easily a 'moving violation,' meaning that a motorist loses his driver's license after receiving three violations."

"But it places an undue hardship on the motorist to count speeding between 55 and 70 as such a violation, especially when considering that it is difficult to stay within the law in today's autos on today's highways."

"I believe a fine would have been enough of a deterrent to discourage abuse of the new limit."

"Unfortunately, only 14 of us agreed. As a result, the new legislation may cause many to lose their licenses and suffer harsh insurance penalties in the form of higher premiums."

## Nameoki studies authority to install drainage line

The question of whether Nameoki Township may make drainage improvements in the Parkway Estates area was the topic of public discussion during the Nameoki Town Board meeting Monday night as about 30 township residents attended to air their opinions.

The group was told that the township's authority to deal with blocked drainage in that area is questionable, but that law provides township highway commissioners the authority to protect township roads from flooding.

Louis Whitsett, township supervisor, explained he is in favor of the township "assuming the reins" in determining blame for the blocked drainage, if it is legal for the highway commissioner to do so.

Albert Bell, highway commissioner, has said he would like to install an underground drainage line from the Parkway Estates area, but will not do so until legal questions concerning the work are resolved.

Those present at the meeting were told that the Alton and Southern Railroad has a culvert under its tracks to avoid blocking the natural watershed runoff area, but that the culvert is about two feet too high, allowing water to pond along the western side of the railroad.

The problem is further complicated because a landowner in the area has constructed a small dam on the east side of the culvert to keep the water from running through when it is high enough to reach

the culvert.

In times of heavy rain, such as recently, the water ponds in a farmer's field just west of the Archer Daniels Midland Co. grain elevator on Cargill Road. The high water then threatens homes in the Parkway Estates area.

At the meeting, residents of the Doherty Slough area compared the Parkway Estates situation to the Doherty Slough situation.

The township contended it has no legal authority to expend funds to help relieve flooding in Doherty Slough, but slough residents contended the two situations are comparable.

Doherty residents said the slough has flooded portions of

William R. Alsbury, organist, and Lloyd S. Lewis, tyler. Back row, Roy L. Thompson, junior steward; Roger Vail, junior deacon; Clarence Livessy, chaplain; Wendall Girtz, senior steward; Vernon L. Clutts, installing secretary, and Luther R. Smith, installing marshal.

## Discuss state tax cut in 1974 but red ink could blot it out

By KEN WATSON  
Press-Record  
Springfield Bureau

What will it be for the Illinois taxpayers in 1974?

A decrease?

Or an increase?

There are differing views, but a general agreement on one factor in the puzzle. The outcome is going to be influenced by politics.

Outlines of the coming battle of the budget are taking shape.

Democratic Gov. Daniel Walker wants to lead his party into the November election campaign with a Walker-signed bill

reducing their sales or income taxes—or both.

Republicans, who still hold slim majorities in the House and Senate, would not only like to deprive Walker of this popular campaign weapon, but would not be adverse to seeing him saddled with a tax hike.

The GOP is on tricky political ground, however. If rebuffed on tax relief legislation, Walker could score with the voters by blaming the Republicans.

With Democrats already confident of winning control of the Illinois House and more optimistic than usual about the State Senate, this could be an added, powerful campaign tool.

There remains also the possibility that Republicans might try to come up with tax relief proposals of their own.

House Speaker W. W. Rost Blair of Park Forest, who wants to run for governor in 1976, pushed a tax cut plan rivaling Walker's in the past legislative session.

His was tied basically to the sales tax, while Walker's concerned chiefly income tax.

Both went down the drain in the ensuing deadlock. A damper on any GOP tax relief plan already has been applied by the elected financial officer, Illinois Comptroller George Lindberg, a Republican.

At a press conference, Lindberg warned that the state is currently spending money faster than it is taking it in—and if this situation continues the state will slip from the "black" into the "red" during the second half of the calendar year.

Presently, Illinois is operating under a \$7.4 billion budget for the fiscal year which ends July 1.

The legislature will have to adopt a new budget before then and make big decisions on tax reductions or increases.

Lindberg said the purpose was to raise a warning flag about the spending pattern of the past six months of the state's fiscal year.

Presently, an economic slowdown is forecast for the second half of fiscal 1974 (January-June). A slowdown

# North, South wrestlers meet Friday

During the Civil War North defeated South in the first war between the states in this country's history, and according to Warrior mat coach William Schmitt history may be destined to repeat itself in the form of wrestling, as Granite City High School North and South mat squads meet head-on for the first time tomorrow at 7:30 p.m. on North's home mats.

"They (North) have to be considered the favorites," Schmitt told the Press-Record, "having lost one meet this season as a new school."

"Not only that," added Schmitt, "but they know me better than I know myself."

North's head mentor, Walt Whitaker, competed in 1951 as captain of the first wrestling team under Schmitt's command. He coached Cahokia's wrestling squad before returning to Granite City as an assistant coach under Schmitt in 1963. Whitaker joined the new GCHS North school as its mat coach last fall. The Steelers' assistant coach, Bob Whelan, was an assistant to Schmitt from 1960 through 1962. George Nemeth, another North wrestling assistant, was a two-time state champion under Schmitt's tenure.

"It is a strange feeling," comments Whitaker, "to go up against a guy you have wrestled for."

"But it won't be the first time," he added. "My Cahokia squad was defeated by Schmitt's team when I was wrestling coach of the Comanches."

The Steelers lost their season opener to Mundelein-Carnel and have not been defeated since. They now are 8-1 and placed third in the Granite City Holiday Tournament which was captured by GCHS South.

The Steelers added to their impressive first year record last weekend by earning second place at the Quincy Invitational Mat Tournament.

The South Warriors, now 18-2, were undefeated in 50 consecutive dual meets before falling to Belleville East and Pekin earlier this month. The Warriors, since then have captured eight consecutive meets.

"North will be hard pressed," predicts Whitaker, "to match the South strength in the lower classes, even though that is

where we are the strongest. Almost as an afterthought he added, "I only hope we can stay on the mat with the Warriors."

The tentative pairings for tomorrow's wrestling classic, with schools indicated by letter, are: 98 pound — Randy Hartline (N) vs. Woody Hallbrook (S); 105 — Neil Pierson (N) vs. Jim

Caschetta (S); 112 — Rudy Pyle (N) vs. Pat MacMillan (S); 119 — Eric Schmissor (N) vs. Kevin Page (S); 126 — Phil Shands (N) vs. John Niebur (S); 132 — Terry Johnson (N) vs. Don Heath (S); 138 — Chester Felter (N) vs. Dan Heath (S); 145 — Bill Carr (N) vs. Dave Rushing (S); 155 — Dave Whitsett (N) vs. Ken Nolen (S); 167 — Dave Hamilton (N) vs. Brian Wilson (S); 185 —

Jim Barker (N) vs. John Avedisian (S), and heavyweight — John McMillan (N) vs. Jerry Patterson (S).

After tomorrow's meet between the two local schools the Warriors will be idle until Saturday, Feb. 9 when they compete in the Southwestern Conference Tournament at Edwardsville.

The Steelers of North will see

action again at 1 p.m. Saturday in a double-dual meet with Cahokia and Roxana at North.

"We shouldn't have much trouble," both with different Whittaker, adding, "I do expect tough competition from Roxana though. Roxana had a 10-0 record this season before losing three in a row this past weekend."

# North cagers to hit the road, South plays here this weekend

Both Granite City high schools will see cage action this weekend, and both with different results. GCHS South will seek its first win of the season in a double-dual meet with Cahokia and Roxana at North. South will be trying to avenge a 67-38 loss to Alton Dec. 27.

The Steelers of North travel to Sparta at 8 p.m. Saturday in an attempt to continue their winning ways after capturing the consolation title at the Belleville East Cage tourney. The South Warriors are hoping to defeat Alton while the

Redbirds are down in the dumps. A team which was undefeated in 10 outings earlier in the season and downed Collinsville to capture the Carbondale Holiday Tourney, Alton suffered two losses and then had its wings clipped in last week's Salem Invitational.

The Redbirds defeated Centralia 89-61 to Robinson and fell again in the third place game, 82-81, to the host school. The Steelers will carry their tournament pride and an 8-4 season record into battle against the Sparta Bulldogs. The Bulldogs dropped a 74-51

decision Tuesday to the St. Joseph's Tournament champion, Murphysboro, in an Southwest Egyptian Conference game. Sparta has rebounded well, shot adequately, and worked hard this season on defense, but still can't seem to put it all together.

After meeting the Bulldogs Saturday, North will play a make-up game at 8 p.m. Tuesday, Feb. 5, at Triad. The contest had originally been set for Dec. 27 but deep snow and icy road conditions forced a postponement.

RED DEVILS' ADVOCATES who cheer on the Venice High School cage squad at each game are Robin Cowin (kneeling), Carolyn Moore, Tammi Eck and Pat Cotton (from left behind Robin), and Sharon Taylor and Elaine Mosbey in the back. (Press-Record Photo)

# Red Devil machine rolls over Freeburg

Venice High School will carry its winning cage ways on the road this weekend, and again at the Gibault of Waterloo at 8:15 p.m. tomorrow and again Saturday at St. Paul of Highland at 8 p.m.

The local Red Devils boosted their season record to 15-2 Tuesday by defeating Freeburg 74-56 at Venice.

The Devils pulled away from their Freeburg opponents in the third quarter of play, 56-40 after leading by narrow margins in the first two periods, 18-16 and 37-34.

Venice outplayed the visiting squad in the contest, tallying 31 points, 12 of 14 free throws, and recovering 39 rebounds while committing only 10 fouls. Freeburg hit on 23 from the field, was 10 of 15 from the line and turned the ball over to Venice 15 times while fouling against the Devils 10 times.

Freeburg had two cagers earn high points with 13 apiece, Dave Kemner and D. Krampner. Venice was led in scoring by Ron Henry who downed 24 points in the contest

and pulled down 12 rebounds. Assisting in scoring for Venice also were Mike Logan with 18, J. B. Harmon and Tony Sifton with 10 each. Reggie Gardner and Mike Jones each earned two points.

The Red Devils' clash with Gibault will be the second matchup this year. Venice downed Gibault 83-21 Jan. 5 in a make-up contest.

Both squads boast outstanding sophomore shooters—Venice presenting Reggie Gardner and Gibault with Tom

Schmidt. Gardner has been averaging 23 points a game for the Red Devils and Schmidt 22 points per outing for the Hawks. St. Paul of Highland hosts a 11-7 season record going into Saturday's match with Venice. St. Paul recently fell victim 79-65 to Quincy where the Boys' even though Highland's Steve Ferguson pumped in 24 points.

The Highland squad has vaulted over the century point mark against its opponents. St. Paul is a top contender for the number one spot in the Bi-County Conference.

# Regular junior high cage season ends today

The 1974 Madison County Junior High School Conference Basketball season will come to an abrupt, but climatic ending, today as the eight participating cage squads take to the courts in an attempt to change the league standings before next week's four day conference tournament at Grigsby Jr. High School. That tournament begins Tuesday, Feb. 5.

Today's competition pits Webster of Collinsville against Madison at 4:15 p.m. at

Madison. Grigsby will travel cross-town at 4:15 p.m. to Coolidge. Prather will go on the road to Edwardsville at 4 p.m. and North of Collinsville will be Roxana at 4:15 p.m.

The only major changes in the standings which will derive from today's competition will be in the top three spots at the eighth grade level and the fourth place in seventh grade standings.

Edwardsville Jr. and Madison Jr. are tied for first

place in eighth grade standings with 9-3 records while Coolidge holds down the third spot on a 7-4 season showing. The Madison Spartans hold the number one position at the seventh grade level at 1-1, with Edwardsville knocking on the door with 10-2.

The outcome of contests held this final day will decide the conference championship at both grade levels, but will have no bearing on the upcoming tournament at Grigsby because

pairings for the meet, which begins on Tuesday, Feb. 5, have already been made.

The single elimination tournament pits Edwardsville against the Prather Chiefs at 6:15 p.m. Tuesday in the first game, and Webster of Collinsville with Roxana at 7:30 p.m. in game two. The winner of those two contests will meet Thursday, Feb. 7, at 6:15 p.m. in the semi-final action.

Wednesday at 6:15 p.m., game three will match the Coolidge Braves and North's Collinsville, followed at 7:30 p.m. with the Grigsby Gators and Madison Spartans in game four. The winners of Wednesday's competition will meet in a 7:30 p.m. semi-final game Thursday.

The two victors of Thursday's contests will clash for the championship at 7:30 p.m. Friday, Feb. 8. The title game will be preceded at 6:15 p.m. by a third place contest between the two losers of Thursday's semi-finals.

As in past tournaments, halftime activities will include free throw championship contests with a representative from each participating team competing. Each player selected will have 50 chances from the free throw line, with the cager making the most baskets being crowned champion of free throws.

Trophies will be awarded at the completion of the tournament to the first, second, and third place teams.

Tickets for the contests may be purchased at the door each day. Adults will be charged \$1 and students 25 cents for each day's events.

# MHS outplays Roosevelt

Madison High School is the only local cage squad not scheduled for weekend action, but will meet Pacific, Mo., for the second time this year on enemy territory at 8 p.m. Tuesday. The Madison Trojans are fresh from an 84-55 romp over Roosevelt High in a contest here two days ago. Madison's win over the Roosevelt team

boosted the Trojans' season record to 14-6. Roosevelt fell to 4-12.

Chris Stanley exploded with six field goals and three free throws in the fourth quarter to put the game on ice for Madison after the local Trojans led the enemy in every period, 14-10, 33-28, and 53-40. Stanley had a game high 31 points while

pulling down 14 of Madison's 46 recovered rebounds, including 20 belonging to Roosevelt.

Madison committed 12 fouls while hitting on 12 of 16 from the free line on the 13 fouls made by Roosevelt. The Missouri team was seven of 13 from the free throw line. The Trojans hit on 36 from the field as compared to the enemy's 24 to capture the Roosevelt's 24 turnovers.

Madison turned the ball over only 15 times.

Bob Hooley tallied 22 points for the visitors while Madison had nine players, other than Stanley, post points. They were Jon Henke with 14, Alvin Wigfall 10, Ron Glasper and Darryl Franklin nine apiece, Norman Whitecotton, Ron Jones, Mike Walker, and Calvin Boyd two points each, and Emmett Timmons one point.

Madison and Pacific first met Jan. 18 on the Trojans' home court. Madison downed the Missouri squad 79-48 in that contest.

# Record year predicted for drag racing, may open soon

Despite national gasoline shortages, predictions of a slight drop in the number of out-of-state (outside Illinois and Missouri) cars competing here this year, "but we will have big races. The St. Louis area cars will make up for it."

He also said the gasoline shortage is expected to work for the benefit of the local drag racing facility. "We have the advantage of being very close to a major metropolitan area and we feel the gasoline crunch may reduce the number of people going to the lakes or camping on long vacations and they will look for entertainment close to St. Louis. I estimate attendance at our weekly races will be up from 25 to 30 per cent," he speculated.

Meinert said he is keeping a close eye on the weather, with thoughts of perhaps opening the track in the next few weeks if the present mild temperatures continue.

# Belleville latest victim of Warrior mat strength

The Warrior matmen of Granite City High School South enter their last dual meet of the season against GCHS North Friday with an 18-2 record after downing Belleville West 30-10 at home Tuesday. After meeting sister school, North, the Warriors are slated to compete in the Southwestern Conference Tournament at Edwardsville on Saturday, Feb. 9.

South fell to Belleville in only three of the 12 matches Tuesday. Al Schuler (98 pounds), in his first ever varsity contest, dropped a 16-2 decision. Pat MacMillan (112) lost a squeaker, 5-4, to his opponent, and 167 pound Brian Wilson dropped a 13-8 decision to his Belleville foe.

Warrior heavyweight Jerry Patterson provided the only pin of the meet in 5:12, while other members of the South squad rolled to victory. South winners

were: 105 pound — Jim Caschetta, 7-4; 119 — Kevin Page, 5-2; 126 — John Niebur, 7-1; 132 — Dan Heath, 3-2; 138 — Dan Heath, 6-1; 145 — Dave Rushing, 7-1; 155 — Ken Nolen, 5-5, and 185 — John Avedisian.

The Warrior jayvee squad posted a 24-19 win over Belleville, and South's sophomore team downed the visitors 28-21. Belleville downed the Warrior freshman squad 49-7 in that contest.

## MUSTANG II ...

### Never has so much cost so little

**It's the right car at the right time.**

Mustang II gives you a small-size car that's not small on luxury. There's more than you'd expect. Plant yourself behind the wheel of a Mustang II. The plush interior surrounds you. You'll sit in the all vinyl bucket seats, not on them. And the cut pile carpeting runs under your feet from wall to wall then up the door panels. It's class... first class.

You'll love the impressive list of standard equipment, too. To name a few:

- simulated wood-grain instrument panel
- 6000 RPM tachometer
- sporty 2-spoke steering wheel
- fully synchronized four-speed transmission
- a lively but thrifty 4-cyl. overhead cam engine
- front disc brakes
- rack and pinion steering, and much more

Mustang II also has a unique new suspension system for a smooth ride and its small-car economy lets you ride, and ride... on regular gas.

You get a lot of car in Mustang II. It's just the car you've been waiting for.

## Gitcho wins in Russia

Jan Gitcho of Arlington Heights decided his 125 pound, Russian mat foe, Vladimir Yumin, 5-4 to be one of only two members of the United States team to win matches in the U. S. USSR wrestling meet Tuesday.

Gitcho led his opponent 4-1 after the second round, but the Russian then evened the points at 4-4. Gitcho scored the winning point on a take-down.

John Peterson from Comstock, Wis., was the only other American victor. He won his 180 pound match on a disqualification in just over eight minutes when his opponent was warned for the third time for not moving.

Gitcho and Peterson are part of the 10 man United States Cultural Exchange wrestling team which is on a three-week tour of Russia. The tour began during the weekend.

## Sweeps series

Kentucky Fried Chicken was the only women's volleyball team to make a clean sweep of its three game series last night at the Lincoln Place Center.

Kentucky Fried downed Matthews 15-6, 15-4, and 15-10. The Rebels posted scores of 15-10, 15-3 before dropping their third contest, 15-11, in its three-game series with the Bills.

Apple Valley defeated Sammy's 15-13 and 15-7 before losing to Sammy's 15-1.

The Raggedy Anns also posted two victories while losing the third to their opponent. Raggedy Ann won 15-6, 15-7 then lost to Midtown Pharmacy 15-3.

The Pizza Hut squad posted victories in all three games with the Siers during the Park District's weekend co-ed volleyball program, 15-7, 15-6, and 15-12. The Knights of Columbus missed making it three straight in its contests with Brothers Two when the latter team posted a 15-1 win in the final game. The K. of C. had captured the first two 15-14 and 15-5.

## 5th Brave win

Coolidge Jr. High School posted its fifth consecutive mat victory Tuesday at Edwardsville, defeating the host school 50-20.

Now 5-1, the local wrestlers lost only three of the 13 match schedule at Edwardsville. Posting victories for the Coolidge Braves (pins indicated by times) were: 7 point—Ron Cline, 2:35; 82—Greg Olyott, 44; 90—Erich Miller, 5:55; 98—Greg House, 3:38; 105—Chuck Duckworth, 5:1 (undefeated); 112—Dwain Page, 4:4; 119—Darrell Hasty, 4:35 (undefeated); 135—Mike Forshee, 3:30 (undefeated); 158—Dennis Scarsdale, 4:58; and heavyweight—Steve Curless, won by forfeit.

**SPARTANS POST DOUBLE WINS**  
The Madison Junior High School Spartans and the Grigsby Gators were the only local cage squads to post wins Tuesday in Madison County Conference action. Prather and Coolidge lost their contests at both grade levels.

Kenny Boyd tallied 20 points to lead the Madison eighth graders to a 52-38 victory over Roxana, and Danny Rogers was high point cager for the Spartans in defeating Roxana's seventh grade squad 42-28.

Grigsby split its games with Webster of Collinsville, winning 25-24 at the seventh grade level on the 10 points tallied by Brian Gaddie and the eight of Russ Chappell. The Gators' eighth graders dropped their contest 36-27. Dan Harper was high scorer in the latter contest with 11 points.

Collinsville North scored 23 points in six minutes to down the eighth grade Prather team 53-34. The Collinsville squad also posted a 40-14 victory over Prather's seventh graders. Dave Marler scored eight points for the eighth grade squad and Bill Tinsley had six to lead the seventh grade effort.

**COOLIDGE FELL VICTIM**  
Edwardsville 47-34 in eighth grade action and 53-27 in the seventh grade contest. Terry Angle recovered 16 rebounds and scored 13 points in the eighth grade contest. Jeff Vaughn and Dutch Schroeder each scored eight points in the seventh grade effort.

**BOWLING TOURNEY FEB. 8-10**  
Members of the Madison "R" Club, Chapter 171 of the Nativity of Virgin Mary Eastern Orthodox Church, Fraternity of Ewing Avenue, Madison, are finalizing plans for the Midwest District Federated Russian Orthodox Club's Bowling Tournament, which they will host the weekend of Feb. 8 to 10.

Robert McBride, newly elected president of the Madison "R" Club, said bowling events will be held at Bowland Lanes and convention activities and accommodations for out of town guests will be at the Holiday Inn at Sunset Hill.

Approximately 200 members of the F.R.D.C. clubs in the Midwest are expected to participate in the weekend celebrations, some coming from as far away as Minneapolis, Minn. F.R.D.C. is a national, religiously oriented.

**WOMEN'S BASKETBALL**  
Edwardsville 47-34 in eighth grade action and 53-27 in the seventh grade contest. Terry Angle recovered 16 rebounds and scored 13 points in the eighth grade contest. Jeff Vaughn and Dutch Schroeder each scored eight points in the seventh grade effort.

**CHARGED WITH FORGERY**  
Roger E. Gann, 23, of 905 Madison Ave., Madison, was charged this week by Granite City detectives with forgery after he was arrested in Madison Monday. He is charged with cashing a \$157 check taken in a burglary at an Alton home. He allegedly cashed the check at the First Granite City National Bank Jan. 9.

## Local DAV leaders installed

Arrangements of forget-me-nots and blue and gold apples decorated the tables for the annual installation banquet of Disabled American Veterans Chapter 53 and Auxiliary held during the weekend at the DAV Hall on 18th Street.

Principal speakers were Master Sergeant Robbie Frank of Scott Air Force Base, whose talk dealt with returned prisoners of war from Vietnam, and Mayor Paul Schuler of Granite City.

Illinois DAV State Commander Desmond Partner of Quincy installed the new chapter officers, including Charles Rittenberger, commander; George Lipscomb, senior vice-commander; Gordon Thompson, junior vice-commander; Earl Lingwitz, chaplain; and William Bratten, treasurer.

Auxiliary officers were installed by Mrs. Lillian Jackson of Quincy, state deputy commander, Mrs. Lillian Heffley and Mrs. Irene Hoelter of Granite City.

Those installed in the women's group were: Mrs. Lena Kallip, commander; Mrs. Mary Lee Bueler, senior vice-commander; Mrs. Pat Macke, junior vice-commander; Mrs. Bert Kichler, chaplain; and Mrs. Thelma Dillard, adjutant.

Cecil Nash, retiring commander of Chapter 53, was presented a past commander's pin by the state officer.

## Legion Auxiliary 113 donates

Nine separate donations were authorized by the Tri-City American Legion Auxiliary Unit 113 at its regular meeting at the Legion Home, 1825 State St.

Contributions were made to the Department of Illinois Child Welfare Fund; Indian Spending Money; Bennett Cottage party fund at Normal; National Child Welfare Gifts; Seven-Point Program for Veterans; Gifts for Hospitalized War Veterans; Emergency Loan Fund; a birthday gift for Harold Hut- ching, a youth at Bennett Cottage; and aid to two local veterans' families in need of food and clothing assistance.

Mrs. Bonnie Jacob, president, was in charge of the meeting

and announced the unit will honor past presidents at a combined business session and party on Feb. 13. Also reported were plans for a March 3 fashion show. Mrs. Henrietta Graham, chairman, said the event will be open to the public without charge.

Mrs. Margaret Harrison was accepted as a new member and Mrs. Rose Halbert offered prayer to open and close the business session.

Hostesses for the evening was Mrs. Betty Howell who directed games and served refreshments. Prizes were awarded to Mesdames Mildred Rees, Loretta Goeller, Opal Harlan, Phyllis Douglas, Sharon Morris, Bonnie Jacob, Dolores Weiss and Doris Edwards.

## Circle to make gift layettes

Mrs. Marion Pierson entertained the Afternoon Circle of the Namecki United Presbyterian Church at her home, where a luncheon was served prior to the meeting.

Devotions were given by Mrs. Edith Simpson and the lesson, taken from "Christian Answers," was presented by Mrs. Louise Anderson.

The names of missionaries for the day were read by Mrs. Joyce Toussaint.

Mrs. Bonnie Britton announced layette items will be started for the Quad-City Church Women United's program. She asked members interested in helping in the project to attend a cutting session Feb. 20 at the church.

Also present at the luncheon meeting was Mrs. Jane Harmon. Mrs. Anderson will serve as hostess in February.

## Benefit concerts scheduled

Tickets for two benefit concerts that will be presented by concert pianist Thomas Man-shardt for the Emmaus Home at Marthasville, Mo., may be obtained at St. Peter's Evangelical United Church of Christ, it was announced today.

The two concerts are to be held Monday at St. Paul Church, Columbia, Ill., and Friday, Feb. 8, at St. John Church, Collinsville. Both will start at 7:30 p.m.

Residents and staff members of the Emmaus Home will share in the program. Tickets also are available at both of the churches where the concerts will be held and at the Conference Office.

A \$2 donation is being asked of adults and \$1.50 from students. All receipts, except for promotion costs, will go for work at Emmaus Home.

Man-shardt was born of American parents in Bombay, India, and attended schools in

India, New York, California and Illinois. He studied with private piano teachers at an early age and while in high school attended the Chicago Musical College. After receiving his bachelor of music from Oberlin College, he went to Europe where he attended classes at the Conservatoire de Lausanne and the Ecole Normale de Musique in Paris and the Academie de Chigona in Siena.

He made his professional debut in Vienna and toured England, Germany, Austria, India, Pakistan, Canada and the United States. He currently is a member of the Faculty of Music at the University of Saskatchewan, Regina, Canada, and is a permanent adjudicator for Les Festivals de Musique du Quebec.

His present tour for the benefit of Emmaus Home—a United Church of Christ home for mentally handicapped—covers six midwestern states.

## Golden Age Seniors install

The Golden Age Senior Citizen's Club installed officers at its January business meeting and birthday party held at the Kirkpatrick Homes Recreation Center.

Those installed were Mrs. Ruby Corbitt, president; Mrs. Caroline Lux, vice-president; Edgar Paddock, secretary; Mrs. Minnie King, corresponding secretary; and Mrs. Peggy Gibbons, treasurer.

Thirty-four members were present and new committee chairmen were selected.

The remainder of the time was spent socially with games being played. Birthday cake and coffee were served. Those winning prizes were Robert Harrell, Mrs. Gibbons, Mrs. Nettie Coons, Mrs. Edith Young and Leola McDevitt.

A pollack dinner was planned for noon, Tuesday, Feb. 12. Members were reminded to bring a covered dish item. The entire will be furnished by club. Mrs. Corbitt said.

## Engaged girls' party set Feb. 5

Engaged girls and their mothers are being invited to attend a special party for brides-elect at 8 p.m. Tuesday, Feb. 5 at St. Elizabeth School cafeteria.

Sponsored by the local representatives of Welcome Wagon International Mrs. Joanna Spencer and Mrs. Ruth Bishop, the party is designed to help the bride-to-be and her mother become acquainted with services and products offered by local firms well in advance of the wedding day.

Highlighting the party will be a bridal style show presented by Marilyn's House of Fashion and displays provided by other Welcome Wagon sponsors.

Refreshments and special gift packages will be given the honored guests, Mrs. Spencer said.

Girls interested in receiving an invitation are being asked to call 876-5821 and leave their name and address, the organizers said.

## Layoffs host tea for students

Four prospective St. Louis University pre-med students and their parents were hosted at an afternoon tea this week at the home of Dr. and Mrs. Thomas Layloff, 2833 Grand Ave.

Dr. Layloff, a professor of chemistry at St. Louis University, also is a member of the pre-med recommendation committee and serves as an advisor to pre-med students at all levels.

Attending the party were Mrs. Charles Barth and son, Charles and Mrs. Edward Giezelman and son, James, all of Granite City, and Mrs. Hazel Ent and son, Robert, and Mr. and Mrs. George Blase and son, Tom, all of Florissant, Mo.

Top pre-med senior and junior students also at the tea were Scott Kirchner, Al McMahon, Kathy Kucharski and Connie Britt.

"At St. Louis University we are very interested in students as individuals and want to do everything possible to insure their success while with us," Dr. Layloff commented.

He said that "by getting

together in small internal groups we can freely discuss such aspects of the university as programs, finances and policies.

"The prospective student also is more relaxed and able to relate his questions more easily by having actual students from the university present at the gatherings," Dr. Layloff added.

## Bible lessons to be aired

A new Gospel radio program "Bible Class of the Air" is to be presented weekly, beginning Saturday, by the Rev. Clarence E. Barr, Bible instructor of Tri-City Park Tabernacle and for the Assembly of God churches.

The program will be presented each Saturday from 8:30 a.m. to 9 a.m. over radio station Wgmu-FM.

Rev. Barr said the program is designed to interest all Bible students and especially adult class teachers in fundamental churches using the uniform Bible lessons furnished by the National Sunday School Association of Wheaton, Ill.

### Taxpayers demand that any artificial raising of highway construction costs be spotlighted, with law violators tried and punished severely

Highway building has become extremely costly in Illinois and elsewhere, almost prohibitively high in a time of reduced gasoline supply. Inflation is responsible to an extent for soaring road construction expenses, but at least part of the cause may be artificial, developments this winter indicate.

The role of the Illinois Transportation Department, while indirect, appears to loom large in the overall cost problem.

Former Lieutenant Governor Paul Simon, who was defeated for governor in the spring 1972 primary election, reports rejecting an offer of a \$250,000 campaign contribution.

"All" the donor wanted, Mr. Simon says, was to dictate the choice of the Transportation Department director under a Simon term as governor. The name of the potential contributor has been given to the Federal Bureau of Investigation.

Gov. Daniel Walker took pen in hand in late 1973 to write Cook County State's Attorney Bernard Carey. He asked for reopening an investigation into a September 1971 dinner for then Gov. Richard Ogilvie; Walker cited published reports that, in connection with the dinner, "two top officials in the Department of Transportation . . . made widespread solicitations of highway contractors for political contributions."

Gov. Walker also noted an October 1973 Chicago disclosure that "the engineering consultant firm for the Illinois Toll Highway Authority has approved hundreds of thousands of dollars in fees paid to its own subsidiary."

### Public service by late mayor during a post war era of much progress

Donald W. Partney will occupy a large and well-deserved place in the history of Granite City and its municipal government. His death Jan. 20 following a long illness has saddened all.

His service to the city government spanned the entire postwar era. He was first elected as an alderman in 1947 and he was re-elected continuously until seeking the office of mayor in 1965.

Chosen as chief executive over a big and capable field of candidates that year, Mayor Partney then earned re-election in 1969 over another diverse and able group of aspirants. He sought a third term last spring but many voters feared that his health would make the position too burdensome.

During the more than quarter-century since World War II, Granite City has seen much growth and progress. As a member of the City Council and numerous committees and study groups, Mr. Partney actively considered many issues and aided in solving them.

As mayor, the occurrences of

### Big SIU 'System' staff not needed

Collinsville Herald — Southern Illinois University at the Edwardsville campus. It can operate as one, with a single administration, or as two separate administrations. But it doesn't need both.

The SIU Board of Trustees has been persuaded that the full-scale "systems" staff should be super-imposed over full-scale administrations at Edwardsville and Carbondale.

We think this is, at best a most expensive way to go. At worst, it is not only expensive but carries with it seeds of friction and inefficiency and bad morale.

If there is to be a "systems" staff and administration, it would be best to return to the single interchangeable, unitary

university that was a fact in the early days of the Edwardsville campus.

That concept suffered from geography — 100 miles apart is a long way to dole out things — but it benefited from singleness of purpose and decision.

Edwardsville is a new, growing, commuter, urban-industrial school. Residential, rural school. There is not much in common.

Gradually, each has, indeed, become free-standing. Each has a president and complete administrative staff. Each could function now

completely separated from the other. Senator Sam Valadebe has introduced a bill to do that, creating separate boards. A single board can administer two separate free-standing units with a small, low-profile secretariat to serve as a bridge.

The single board has the advantages that it preserves the historical link and that it would provide a single voice to advance the cause of both institutions before the legislature, more strongly than either could do totally separated.

The single university would work, although geography would always be a problem. If it's to be a single university, the beefed-up "systems" administration does not need complete campus administrations, too.

Free-standing separate institutions would be a problem. Of course, the Granite City school—like have them wear some light clothing so we people driving can see them.

It's drive only, to and from work, and in the morning at 7:30 it's dark—and hectic evening

### Sheriff services upgraded by Maeras

To the Editor:  
As a former employee of the sheriff of Madison County and also the first hired under the new administration of John Maeras, I feel that some of his achievements should be brought to the attention of the public.

As a dispatcher for three years, I worked closely with all phases of the department.

Beginning at the top echelon of the department, John Maeras created a detective division which was sorely needed before his election in 1970. His predecessors either failed to recognize this need or simply blinded themselves to it.

This division has more than adequately proved itself effective in the procedures and duties of law enforcement. The most recent accomplishment is

### Assails tax proposal on car efficiency

To the Editor:  
Does this sound to you like a nightmarish step toward solving the current fuel crisis?

Senator Charles Percy is one of three senators who are sponsoring an amendment to a bill known as HR 224 which has already been passed by the House of Representatives.

The amendment which Senator Percy offers would place a drastic tax on automobiles which do not get 20 miles per gallon of fuel.

The amount of tax would increase sharply as mileage decreased, e.g., 16 to 17 M.P.G.

Does anyone say that such an amendment can never pass? Think again. For you see, it is a rider to a bill whose merits can be argued by no one—the highly popular and non-controversial measure calling for tax relief to

### Dangerous to store gasoline

To the Editor:  
By WILLIAM J. SCOTT  
Illinois Attorney General

Already in Illinois there have been several deaths as a result of careless storage of gasoline.

Last with the fuel crisis upon us, the temptation may be greater to keep just a few gallons around in case of emergency. But please don't do it!

I can't emphasize enough how dangerous storing gasoline is. And, besides, you may be breaking the law.

The Illinois Department of Law Enforcement says that for personal or private use, no more than five gallons of crude petroleum, benzene, gasoline, naphtha and their compounds may be kept on hand—and then only if stored in an approved safety container, remote from flame or open fire.

Such storage must not be in any cellar, basement, or pit and should be in a room with direct ventilation to the outside, and preferably in an outbuilding or garage.

So, if you're storing more than five gallons of gasoline or similar fuel for personal or private use, you're breaking Illinois law.

If convicted, you could be fined between \$10 and \$50 for each day of each offense, recoverable in a civil action by the Illinois Attorney General's office or the county State's Attorney.

Though fires and explosions are the chief hazards associated with improper use of gasoline, they aren't the only ones.

Last year, about 1,100 persons in this country required hospital emergency room care for gasoline poisoning—and half of those were under five years of age.

You may know the stuff in the can is gasoline and should be approached with caution. But do your child? Do your neighbor?

Wallowing a small amount of gasoline or other liquid fuel ordinarily doesn't produce serious poisoning. But nonetheless, some children have died from as little as a teaspoonful of fuel or poison.

If you are around when someone accidentally does something dangerous, it is another thing. Heeding it is another.

### Second firing in Nameoki is recalled

To the Editor:  
I was to take two weeks to think this over. At the end of these two weeks, I again told Mr. Whitsell that I would not support him.

Mr. Whitsell's next step was to explain to anyone who inquired that I was on "leave of absence."

Never once did I apply for a leave of absence—never once did I submit a letter of resignation—never once did I tell Mr. Whitsell that I was quitting my job. Yet, he proceeded with the necessary paperwork to completely sever my employment with the township.

Never once did this item come before the Town Board, as is necessary and proper procedure.

In the course of this fact, I submit to the public the fact that the Illinois Municipal Retirement Fund grants a pension to anyone who has been employed by the township for one year.

I did not retire or resign—I did receive the refund due me from the IMRF prior to Mr. Whitsell's statement that I was on a leave of absence. I am remaining very possible for me to receive this refund was through being fired, which I

Mr. Whitsell exceeded his authority by firing me, for I have been a township employee since 1961. I have been able to enlighten them just a little.

MRS. SHIRLEY GAUDETTE  
5 Sunflower Court

Now Mr. Whitsell has suddenly become the "champion" of a dismissed employee who is not under his jurisdiction but under that of Albert Bell, highway commissioner.

I do not know Mr. Bell's reasons for discharging this individual. I only know that it is under his jurisdiction to do so if he so desires.

I do know that Al Bell is a fine, sincere person, not subject to snap judgments, and would not without good cause suddenly discharge an individual.

Why has Louis Whitsell now become the "champion" of this individual? Believe me, the answer once again is political.

When I was fired, it was for political advantage. This individual is not under his jurisdiction, and he is not under his jurisdiction.

The Town Board, to its credit, realizing this affair is not under its jurisdiction, refused to hear a letter from this discharged person. Yet, Mr. Whitsell managed to get his letter into the newspaper, along with his own reply, which the Town Board did permit him to read, as a courtesy.

The question remains—why has he now become champion of this discharged man, the unjustly accused?

Mr. Whitsell's conscience seems to be in a bad way. Where was it when he fired me? The public has a right to know the facts about the person they have elected to represent them and who is now seeking their vote in another election.

I hope I have been able to enlighten them just a little.

### ON THE SPOT

To the Editor:  
As a former employee of the sheriff of Madison County and also the first hired under the new administration of John Maeras, I feel that some of his achievements should be brought to the attention of the public.

As a dispatcher for three years, I worked closely with all phases of the department.

Beginning at the top echelon of the department, John Maeras created a detective division which was sorely needed before his election in 1970. His predecessors either failed to recognize this need or simply blinded themselves to it.

This division has more than adequately proved itself effective in the procedures and duties of law enforcement. The most recent accomplishment is

## Newspaper use aids learning, Emerson teachers tell PTAs

The Granite City Area Council of PTAs convened at Emerson School for its January meeting and heard a program explaining use of newspapers in the classroom presented by a teachers' panel.

Emerson Principal Alfred Wilson, who introduced the use of newspapers into the school's regular curriculum, served as moderator.

Panelists were Mrs. Conith McGee, Mrs. Ruth Forrest, Mrs. Stella Davenport, Jack Farrow and William Harris. All are faculty members at Emerson.

Mrs. Vera Farrow, area council president, presided at the meeting and introduced Mrs. Mary Lou Hudson, a learning disabilities teacher at Webster and Lake schools.

Mrs. Hudson appealed to council representatives to write to television station managers and urge them to telecast important bulletins and announcements in written form on the screen.

This procedure, she noted, would enable deaf viewers to learn what was occurring. As she spoke, Mrs. Hudson translated her remarks into sign language.

Mrs. Farrow said reservations are being taken now for the council's annual awards banquet, scheduled on Feb. 21 at Granite City High School North. Registration will be at 5:30 p.m. with a smorgasbord dinner at 6 o'clock. Tickets will cost \$5.50 each, she said.

Each PTA unit is being urged to select a candidate from its group to receive an "outstanding worker" award at the dinner, Mrs. Farrow said.

Guest speaker will be Larry Buick, a teacher of the deaf.

Appointed to serve on a nominating committee to choose officers for 1974-75 were Art Menendez, Lee Kiehl, Gabe Gargay, Mrs. Hudson and Mrs. Alma Burnett.

The council president said the "Art of Art" exhibition will take place May 5 at Granite City High School South. The event is co-sponsored annually by the council and art departments of District 9.

Reports were given by Mrs. Dorothy Phelps, secretary and Mrs. Yvonne Lipchik, treasurer. A resume of events at two meetings of the Granite City Board of Education was presented by Menendez.

The council will elect officers at its next formal business session at 7:30 p.m. March 28 at Mitchell School.

"District 9's Summer School Program" will be the discussion theme, Mrs. Farrow announced.

## Olin sales, income rise

Olin Corp. reported Tuesday on a preliminary basis that income from continuing operations rose 44 per cent in the fourth quarter of 1973 to \$8,834,000, equal to 37 cents a share, from \$6,138,000 of 26 cents a share in the same 1972 period.

Sales and operating revenues increased 17 per cent to \$316,293,000 in the final 1973 quarter from \$273,038,000 in the like 1972 quarter.

Income from continuing operations for 1973 increased 29 per cent.

per cent to \$47,681,000, equal to \$2.20 a share, from \$36,837,000 or \$1.54 a share in the previous year. Sales and operating revenues of \$1,239,200,000 were up 13 per cent from \$1,099,333,000 in 1972.

In addition to income from continuing operations of \$2.02 a share in 1973, Olin had an extraordinary credit of approximately \$13.6 million, equal to 58 cents a share.

The extraordinary credit resulted from sale of the company's aluminum business — to Consolidated Aluminum Corp. — on a more favorable basis than was anticipated in 1972, when the estimated loss on such disposition was provided for as part of an extraordinary charge of \$62,994,000, equal to \$3.43 a share.

## Madison club honors Mrs. Connoles

Mrs. Mary Connoles, who observed her 90th birthday yesterday, was honored by members of the Madison Senior Citizens Club at its meeting last week in the Madison Memorial Center.

A covered dinner was served at noon and Mrs. Josephine Kanevich offered the invocation.

The guest of honor was presented with a collage of carnations by Mrs. Alice Price.

vice-president, Mrs. Connoles was seated at the head table with the club officers, Mrs. Dorothy Bridick, Mrs. Grace Hornmann, Mrs. Price and Mrs. Vera Vanover.

Plans for ensuing meetings and outings were made during a business session, conducted by Mrs. Bridick. The remainder of the afternoon was spent playing games.

About 70 attended the event, including three new members.

## Secretaries hear hair stylist

Roy King, a hair styling instructor from Six, Baer and Fuller department store, St. Louis, was the guest speaker Monday evening at a meeting of the Granite City Educational Secretaries Association at Johnson School.

King reviewed the latest hair styling trends and demonstrated the new "layered look" hair cut. He was introduced by Priscilla Veach, program chairman.

Mrs. Martha Katzman, president, was in charge of the business session and Mrs. Annette Landman, secretary, read a report.

Refreshments were served from a table appointed in a Valentine's Day motif. The hostesses were Mrs. Shirley Brown, Mrs. Landman and Mrs.

Catherine Wittevoegel. Members attending the event were Mesdames Freida Andrews, Wanda Kutzera, Jean Hoebecker, Genevieve Kawala, Mary Hudson, Barbara Larner, Marcella Pilcher, Betty Williams, Ethel Weiss, Helen Favier, Berta Milans, Irene Hatcher, Barbara Schreiber, Dorothy Luckert, Luville Caban, Millie Chandler, Nancy Rosales, Ellen Grace Hoffman, Pauline Aufderheide, Karen Szedlar, Lucy Stucke, Sonya Obanesian, Dottie Mount, Barbara Dickerson, Marjorie Burdge, Martha Rochester, Aileen Smith, Doris Clinard, Dorothy Hamilton, Dolores Yates and those named.

The next meeting will be held at the Board of Education office Feb. 25.

## Ladies In Action names chairmen

Committees were appointed and other business was transacted Monday evening by the Ladies In Action group at a meeting at Briarcliff Pentecostal Church, 1120 W. Pontoon Road.

Mrs. Dorothy Dickerson offered the opening prayer and Mrs. Christine Stenitzer, president, was in charge of the business session held in the fellowship hall.

Those named to committee assignments were: Mrs. Lillian Barton and Mrs. Opal Orrell, nursing home committee; Mrs. Nellie Edmiston and Mrs. Wanda Watson, funeral; Mrs. Ann Holton, Mrs. Phyllis Allen and Mrs. Watson, ways and means; and Mrs. Norma Penoglio, Mrs. Omie Farless and Mrs. Barton, approval committee.

Refreshments were served following the meeting to those named and to Mrs. Tiny Cook, Mrs. Dot Smith and Mrs. Maggie Glasgow.

Mrs. Dickerson was a special guest of the group and Mrs. Holton and Mrs. Allen were the hostesses.

## Promotion for Mrs. Cravens

At the annual meeting of the Edwardsville National Bank and Trust Co., J. Homer Kennedy, president, announced promotion of Mrs. William F. (Jeanette) Cravens to vice president and trust officer. Mrs. Cravens is the daughter of Mrs. Ophie Dorch, 4010 North St., Granite City.

She joined the bank in 1968 and has advanced through various positions within the bank's trust department. Her husband is a teacher in the Granite City schools. With their younger daughter, Anne, they reside at 11 Lakewood in Edwardsville. Mrs. Cravens is a member of the Edwardsville Zonta Club, the National Association of Bank Women and the Corporate Fiduciaries of Illinois.

## Ask the Governor

Q. As a good American citizen, I am writing to you in reference to the lottery. I suggest that tickets be sold at \$1 each so many people can afford them and most prizes can be awarded. Why not sell tickets through the banks and savings and loans so they can be on the up and up? Dominick Parisi, Chicago.

A. The lottery has captured the interest of many Illinoisans as is evident by the volume of mail I've received since the bill signing Dec. 14.

You may be aware that I had misgivings about a lottery, but I am satisfied that with the provisions we have taken that it will be run honestly.

The effective date is July 1. At this time the form and

content of the system have not been determined. I will be appointing a five-man board to determine the size of prizes, the frequency of drawings and the cost of lottery tickets. The Department of Revenue will handle the generated funds, estimated to be \$70 to \$100 million annually.

The lottery is a people's game and money generated from it will be returned to playing through our major people services such as education, public health, mental health, conservation, public transportation and children and family services.

I hope that people exercise good judgment in playing the lottery. And I'm betting they will have lots of fun anticipating becoming a winner.

## Board praises Mrs. Hawkins on citizenship

The Nameoki Town Board has formally designated Mrs. Helen Hawkins as "outstanding citizen of the area." The action by Supervisor Louis Whitsett and Auditors Kenneth Gieson, Eugene Gargac, Norman Hessler and W. Lee Adams was announced by Town Clerk Douglas Teeter.

A resolution commending her accomplishments relates that "residents of the Doherty Slough Area of Nameoki and Granite City Townships have suffered long with flooding and drainage problems."

"Helen Hawkins has devoted many thankless hours over the past years in her attempts to obtain the interim drainage project for Doherty Slough. On Jan. 10, Gov. Daniel Walker announced that the project contract has been awarded and that Mrs. Hawkins has succeeded in her long efforts."

The Town Board awarded her its "highest certificate of appreciation" for service by a citizen of Nameoki Township.

## Special voter registration

A special registration period for new voters will be held Saturday from noon until 5 p.m. at National Food Store, Nameoki Road and Madison Avenue. The registration will be conducted by a deputy in the office of County Clerk Eulalia Holtz.

The special registration, at which presently registered voters also may make changes in their records such as change of name and address, will be one of a series being conducted throughout the county to register all persons qualified to vote in the March 19 primary election.

# Next seminar event Feb. 5

John Adkins Richardson, professor of art and design at Southern Illinois University at Edwardsville, will be the third speaker in the University Seminar at Edwardsville series Feb. 5.

Dr. Richardson's topic is "Minotaur Under Glass: The City Beautiful and Social Control." The lecture is scheduled for 8 p.m. Tuesday in the University Theater and is open to the public. A slide presentation will be part of Richardson's program.

The seminar topic for the year is "Shaping the Environment." Representatives of various schools at the university will discuss aspects of this topic from varying perspectives—sessions from now through May.

Richardson has been a member of the SIUE faculty since 1959. He is a painter, engraver, home designer, commercial illustrator and author. His new book, "Art: The Way It Is," has been published by Harry N. Abrams and Prentice-Hall. An earlier book, "Modern Art and Scientific Thought," was published by the University of Illinois Press. Richardson earned a doctoral degree at Columbia University.

He says he does not question

DR. J. A. RICHARDSON

the genius of R. Buckminster Fuller, seminar keynote, who predicted major changes ahead for society, but says he is "skeptical about the sense of prosaic realities."

Richardson believes much of what Fuller predicted in an earlier seminar session will come true, but he questions whether "everyone who prefers a grossly wasteful doric column to a geodesic triangle is as obsolete as the column." Fuller is the inventor of the geodesic dome.

## Many delaying car license application

Now is the time for all good men—and women—to get their 1974 license plates. Unless they enjoy standing in line to buy them, of course.

The office of Secretary of State Michael Howlett reports that sales to date, overall, are slightly ahead of sales at the same time last year—2,639,295 as of Jan. 17, for example, compared with 2,568,160 the same date last year.

One satellite facility in Springfield was closed for over-the-counter sales this year, and 84 more banks were added to sources selling the plates, for a total of 294 banks throughout the state, plus the three secretary of state motor vehicle facilities in Chicago and the Centennial Building in Springfield. A number of currency exchanges, primarily located in the northern part of the state, also sell auto license plates.

The red and white plates must be affixed by 12:01 a.m. Feb. 16 for a vehicle to be legally driven in the state. Traditionally, a number of people wait until Feb. 14 or even Feb. 15 to queue up for last minute, deadline purchases.

Figures from the Chicago area show that the three facilities, located on the north, south and western sides of the city, are down by 84,281 sales from the same period last year—389,717, compared to 473,998 on 1973 license plate sales.

At the same time, the currency exchange figures are up by 35,801 from 1973.

It is too late, the secretary's office reminds, to get any special number assignments. It is too late, as well, to be sure of getting plates before the deadline if they are ordered by mail.

Plates mailed out from the Springfield office this year were up substantially from the previous year: 1,087,181 mail orders were filled in 1973, while for 1974 plates, 1,202,077 orders have been filled by mail—an increase of 114,896.

George Kracker in the secretary's office says the bulk of the increase reflects requests for reassignment of previously held numbers, or for special numbers.

Total figures for past sales indicate that a lot of people are going to be standing in line for their '74 plates this year.

Figures in the secretary's office show 4,893,653 passenger car plates sold in 1972. Although figures for '73 sales have not yet been completely tabulated, 4,978,650 sets of passenger plates for 1973 had been sold by September 1973.

With less than three million plates sold so far, indications are that the prefixes for a lot of Illinois drivers between now and Feb. 15 are going to be "W-A-T."

Unmarried, he has two sisters and one brother. He is 82.

Cartier, 51, took a disability retirement after more than 23 years of service with GCS. He retired as DOK platform man, having started in the No. 1 Open Hearth as pit laborer. He and his wife, Camilla, have a daughter and three grand-children.

Mayo, 63 years old, was a utilityman on the North Plant when he retired after more than 18 years of service. He started as a Yard Maintenance laborer.

**BURGLARY ON HARDING**  
 Items worth about \$500 were stolen from the home of Jesse McClanahan, 2722 Harding Ave., it was reported Monday. A rear bedroom window frame was knocked out and the window forced open to gain entry. A letter in the kitchen apparently had been burned for lighting. All the bedrooms were ransacked. Taken were two clocks, a clock radio, a radio and two cameras.

**Drainage meeting**  
 A public meeting to discuss proposals for drainage in this area will be held from 2 p.m. to 4 p.m. Monday in the Namecki Township Office, 4250 Highway 162. Area officials, planners and public representatives have been invited.

## Fellowships offered

Applicants for graduate fellowships for minority-disadvantaged individuals are being sought by the Graduate School of Southern Illinois University at Edwardsville.

Residents of the St. Louis metropolitan area are eligible for the fellowships, and highest priority will be given to residents of the Illinois metropolitan area, according to Vaughnie J. Lindsay, dean of the Graduate School.

The fellowships provide an income tax-free stipend of \$275 to \$300 per month and remission of tuition for the academic year. "The intent of these special fellowships is to encourage further training for individuals who, because of their financial or economic situation, would not normally continue their education beyond the baccalaureate level," Dean Lindsay said.

"The Graduate School anticipates that the fellowships will aid in the identification and motivation of financially and culturally deprived students and the stimulation of their educational pursuits."

Last year, 20 fellowships were awarded. They are held by degree-seeking students in accounting, art, business, counseling, education, educational administration, elementary education, English, geography, history, psychology, secondary education, speech and speech pathology.

"These minority-disadvantaged graduate fellowships provide a valuable experience for individuals of the metropolitan area and directly contribute to increasing the number of skilled and competent individuals committed to urban development, social involvement and human reconciliation," Lindsay said.

Interested individuals must complete applications and have transcripts sent to the Graduate School before March 1. Successful applicants will be informed by April 1.

Applicants should be American citizens and members of minority groups. Each should be prepared to initiate or continue graduate studies on a full-time basis, Dean Lindsay said.

Application materials are available at the Office of Graduate Studies Research, General Office Building, Box 46, SIUE.

## Bolen again heads Easter Seal drive

Jim Bolen, Belleville, has been named by the Easter Seal Society of Southwestern Illinois as chairman of the Easter Seal campaign for the third consecutive year. The Easter Seal campaign will open March 1 and will continue through Easter Sunday, April 14.

Bolen, who is program director of a Belleville radio station and president of a company that produces automated music services for radio stations, was master of ceremonies at a radiothon last year that resulted in added benefits for the society, a spokesman said.

Mr. and Mrs. Bolen have been named members of the board of directors of the Easter Seal Society.

**90-MEMBER CONCERT BAND** at Granite City High School North, resplendent in new black and silver tuxedo style uniforms, will present a 'Pop and Pretzel' concert at 8 p.m. Tuesday in the North High cafeteria. A silver overlay is added to the attire when the band

performs as a marching unit. The two members in white, Carolyn Goldsach, center front, and Elizabeth Adams, third row at right, are field conductors. Bowls of pretzels will be offered concert patrons and members of the school pom pon squad and Band Parents Association

will serve 'pop' Tuesday night. Admission is by season ticket or 75 cents for adults and 35 cents for students. Native Granite Cityan Jack Etzel, KMOX newsmen and composer of the school song, will be honored at the event.

## 'Pop—Pretzel' concert at North

Granite City High School North will present its concert band in an informal "Pop and Pretzel" concert at 8 o'clock Tuesday evening in the new North High cafeteria. The public is invited to attend.  
Patrons will be seated at tables centered with bowls of pretzels and pom pon squad members will serve "pop" as ordered.  
A variety of popular selections designed to create an atmosphere of relaxation is planned in the music program. Also to be featured during the

performance will be presentation of an engraved plaque to composer Jack Etzel, a native Granite Cityan, who wrote the new school song—"Always Something Special" or "On to Victory."  
Etzel, a newsmen on KMOX Radio and former Channel 4 newscaster, will receive the award from Gilbert Walmsley, principal.  
"His exciting musical composition which incorporates both an alma mater and fight variety into the score has won great favor with the band and student

body," Robert D. Todoroff, band director said. "The students love the song and we are most honored to have him as our guest and recipient of the special award for his efforts," he added.  
Miss Carolyn Goldsach, pianist, will perform selections from "Love Story" as the featured soloist.  
Highlighting other numbers by the band will be efforts by percussionists David Krohn, John McKay, Glenn Schubert and Brian Adams, with Ruth Fisher and Mark School-

field, electric bassists.  
Admission is by season ticket, or by single admission charge of 75 cents for adults, 35 cents for students, or 19 cents for band members.  
The North High Band Parents Association, with Delton Groothuis, president, in charge, will assist the pom pon squad in serving the tables. "Pop" will be offered at 15 cents a cup, with the pretzels being provided free of charge.  
Todoroff noted that Tuesday's concert is the "first of its kind" to be presented in the area.

## Press-Record YOUTH FOCUS

### Roca Club commended by Walker

The Royal Order of Christian Americans, known to many in the area as the Roca Young Men's Club, has received a letter of commendation from Governor Dan Walker of Illinois.  
The organization, now in its 24th year, is virtually independent and retains a membership of from 24 to 30 boys of high school age. It was originally founded as a YMCA boys' club, but left the "Y" in the early 1950s.  
Hundreds of young men have appeared on the membership rolls and have gone into medicine, law, education, engineering, sales, law enforcement and business administration as well as a host of other fields.  
The organization's board of directors, elected by the membership, administers the

club according to a rigid constitution and bylaws, and the members adhere to those rules as "a code to live by."  
The service and social club's activities include parties, dances, projects and varied assistance to the community. It is also considered a brotherhood of young men.  
"Rarely will you see one member in the community without another close by," it has been commented.  
The organization is

"dedicated to developing leadership within the school and community," and seeks to "speak out for the youth of the community and all who assist youth."  
The text of the governor's message follows:  
"It has been brought to my attention that for over 23 years the Royal Order of Christian Americans has been a great asset to Granite City.  
"The building of better young men is your primary purpose

and you have accomplished this—and much more—through your community involvement and the fostering of school spirit.  
"Groups involved in civic affairs are to be commended; Illinois can be justly proud of you.  
"I want to express my sincere appreciation to all of you. I hope that your future endeavors will be as successful as those of the past 23 years. Gov. Walker concluded.

### Teaching of counseling skills being expanded in scope and locations

Sixty-four persons are enrolled this quarter at Dover, Del. Air Force Base in the counseling program being operated by SIUE.  
Donald T. King, chairman of the department of counselor education at SIUE, reports enthusiastic response by people in the Dover area to the off-campus master's degree program.  
Teachers in Delaware public schools and employees of Delaware state agencies are enrolled in the courses, as well as members of the military services.  
Started last fall at Dover, the counselor education program is the same as the SIUE sequence which has been offered for some time at Scott Air Force Base near Belleville. Military personnel at Dover requested the program after hearing about the popularity of the courses taught at Scott.  
King said that a move is under way toward "humanizing the military services" in ad-

dition to greater emphasis on continuing education for military personnel. State agencies also have expressed a growing interest in providing counseling training for state employees, he said.  
The self-supporting program is similar in format to other off-campus master's degree programs being operated by SIUE.  
Members of the counselor education faculty rotate the responsibility of going to Dover every other weekend for two days of teaching. A course is completed in three weekend periods, giving a fully employed adult the opportunity to complete the requirements for a master's degree in 18 months.  
King said the program is designed for non-school counseling, emphasizing training in communication skills and "interpersonal dynamics." He is considered "useful for development for both personnel and professional effectiveness."  
Courses at Dover follow the schedule at Scott AFB by four to six weeks, enabling the instructors to use basically the same outlines and prepared materials. King urges the faculty to be "personable and helpful and to make the instruction as relevant as possible to the real world."  
He believes off-campus programs in counselor

education will continue to grow.  
"There is a large and growing market for counseling skills all across the nation," he said.  
"The university is under pressure to mount programs in several new areas."  
**Reception for artists Feb. 4**  
A reception will be held at Southern Illinois University at Edwardsville Monday at 7 p.m. in the Goshen Lounge of the University Center for four artists whose works will be on exhibit until March 18. The artists are Daniel Anderson, Larry Rivers, Don Decker and Ken Maue.  
Anderson, assistant professor of art and design at SIUE, will be exhibiting ceramics in the Opaui Lounge of the University Center. Rivers is from New York City and is currently collaborating with author Terry Southern on an illustrated book of lithographs of fables for adults.  
Decker, an American Indian, will be exhibiting paintings in the Opaui Lounge, and Maue will be exhibiting oils and pen and ink drawings in the Opaui Lounge.

## Procedure in listing price of gasoline

As the price of gasoline goes skyrocketing, many service stations are having a hard time telling customers how high it has reached.

Numerous gasoline pumps in the state are not calibrated to sell gasoline at prices higher than 49.9 cents per gallon, in fact, about half of them cannot go any higher.

To temporarily alleviate the problem, an emergency procedure has been outlined by the Office of Weights and Measures of the National Bureau of Standards. It is applicable in all states.

The state division of weights and measures will approve, on a temporary emergency basis, continued use of gasoline dispensers which have a 49.9 cent limit by allowing retailers to set pumps at half the actual rate and then double the price shown upon completion of the sale.

Annually, the division checks gasoline pumps throughout the state, certifying each for accuracy.

In order to follow this emergency practice, certain conditions must be met.

The price per gallon must be an even value so that exactly half the price can be set on the pump. For example, 49.9 cents per gallon could not be evenly divided in half; 50 cents per gallon would be acceptable.

The unit price indicator on the face of the pump must be set at half the selling price. For example, if the price per gallon is 53 cents, the pump should show 26.5 cents per half gallon.

Labels must be clearly attached to the face of the pump in the following sequence: after the unit price, the words "per half gallon", beneath the unit price the correct price in full gallons, and following the total price of the sale the words "one half total price."

A sign on top of each dispenser or a large sign on each island must be displayed explaining that the price is being computed by one half gallons.

"The new procedure is temporary," Robert J. "Bud" Williams, director of the Illinois Department of Agriculture, said this week.

Owners of the old pumps are being asked to make the conversion to pumps able to compute a higher figure within six to nine months.

When conversion units become available, the dispensers must be converted. Failure to do so will result in rejection of the dispensers by the state. In addition, the division will be checking to make sure that the emergency procedures are being carefully followed.

Dispensers that can accommodate the higher prices must continue to indicate the actual price and the total price of the sale.

## Seek mobile home tax repeal

A newly formed committee of Quad-City and Madison County mobile home owners will meet at 8 p.m. today to initiate plans for seeking repeal of the mobile home privilege tax.

The group, known as the Committee to Abolish the Mobile Home Privilege Tax, will conduct the meeting in the Long Lake Fire Hall in Pontoon Beach.

The committee is headed by co-chairmen Lolly Cox, Roxana, a high school teacher, and Ed Conn of Granite City, a mobile home salesman. The committee has offices at Rural Route One, Box 154, Holiday Park, and inquiries may be made by calling 631-3794, it was announced.

A spokesman said the group will seek adoption of legislation appealing the tax law which was signed by Governor Walker last August. The committee feels the tax is unfair, fails to take into account the age of the home being taxed and limits too closely the time in which the tax may be paid, the spokesman said.

The meeting tonight will be open to all interested persons, the co-chairman said.

**YOUTH ELUDES POLICE**  
A youth found by police inside a house at 3161 Myrtle Ave., at 6:45 p.m. Monday escaped through a rear door as officers were searching the house. He was chased to the rear of Granite City High School-South but eluded capture. The home is owned by Rezycki Realty Co. The glass in the rear door was broken to gain entry.

## Stamp mail program growing

"You can save gasoline by ordering stamps by mail rather than driving to a post office," Postmaster Herbert A. Backe, William Clinton and Charles Simmons said in a joint statement today.

Many families and businesses are saving fuel by using the convenient stamps by mail service introduced last Aug. 20 in selected post offices throughout the U. S. Postal Service as part of a national program.

The stamps by mail program has been growing each month since it was introduced.

During a recent four-week period in Cleveland, the post office received some 9,000 orders and the average order was for \$8 worth of stamps. In Milwaukee, an estimated 200 orders are received daily.

In Detroit, a total of 11,517 orders for stamps by mail have been received since last Aug. 20. The value of stamps ordered is over \$105,000.

For each transaction, the

Postal Service charges 40 cents for handling cost, including postage.

Using a handy self-mailer provided by the Postal Service, customers simply check the quantities of stamps and stamped envelopes needed, enclose a check or money order and drop the envelope in the mail. The stamps are delivered in most cases by the second business day.

Initially, the stamps by mail program was introduced to help "shut-ins," working mothers and others who could not conveniently travel to the post

office. A letter from a Cleveland resident states: "My \$20 worth of Christmas stamps were just delivered by mail and I can't tell you how grateful I am. I am 76 years old. You are so very kind."

Business people as well as families are finding stamps by mail can save time as well as auto fuel. A department store manager in a Detroit company wrote: "Even though I work in an office, we couldn't seem to get our mail clerks to buy stamps for our personal use. Thanks for helping me save the gasoline used in driving my

own car to the post office."

Another indication of how mail-order stamps sales are saving time as well as gasoline is suggested by the program's popularity in the suburban communities. In these areas, sales are running higher than initial expectations.

Suburban families can often save a gallon or more gasoline by purchasing stamps through the mails.

**TV SET, RADIOS TAKEN**  
The home of Mrs. Donald Click, 2007 Fourteenth St., was burglarized by an intruder who entered the house by a side door. Taken were a television set valued at \$90, an \$80 record player, two radios valued at \$43, a bedspread and a clothes basket.

**TAKE CAR FROM LOT**  
The 1972 car of James Tipton, St. Louis, was stolen from the parking lot of American Steel Foundries, Tipton reported at 3:45 p.m. Monday.

**GARAGE IS LOOTED**  
Items worth \$285 were stolen from the garage of James Hoover, 2828 Nameoki Road, he reported this week. Taken were a welding set, a tool box with tools, a bench grinder, an electric saw and a soldering iron. A lock on a garage door had been pried open.

**UNDERGOING TESTS**  
Mrs. JoAnne Hulske, 1612 Ferguson Ave., is a patient in Jewish Hospital, St. Louis, where she is undergoing tests. She is in Room 836.

## Chapter honors Mrs. Lewis

Mrs. Mary Ellen Lewis was the surprise guest of honor at a meeting during the weekend of the Granite Chapter 650, Order of Eastern Star, held at the Masonic Temple here.

Mrs. Lewis was presented with a corsage and gift from the chapter members, marking her 10 years of service to the group as secretary. Her husband, Lloyd Lewis, also was honored as "guest in the east" and presented a boutonniere and a gift.

During the ceremony, LaVerne Larsen sang "Ever where You Go" for the honored couple and it was announced that Mr. and Mrs. Lewis will be the chapter's "Sweethearts" for the current year.

Twenty-three grand chapter members were escorted and honored at the meeting and gifts were presented. Larsen sang "The Greatest of These is Love" during the rituals. Others present were greeted on the occasion of their birthday or anniversary.

Mrs. Betty McClintock, worthy matron, and Harry McClintock, worthy patron, presided. Also present were Mrs. Hazel Wood, Mary Billbreay and Arline Fox, grand lecturers.

Committees were appointed for a ham and bean supper to be served at 11 a.m. until 6 p.m. Sunday, March 3. Tickets, costing \$2 for adults and \$1 for children, 6 to 12 years, will be sold by

## Ex-prisoner of Communists to speak at church here

The Rev. Richard Wurmbrand, an evangelical minister who spent 14 years in Communist imprisonment in his homeland of Rumania, will speak at 7:30 p.m. Saturday at Calvary Pentecostal Assembly Church, 4650 Maryville Road. The public is invited.

The Rev. Harold Maynard, church pastor, said the Rev. Wurmbrand is one of Rumania's most widely known Christian leaders, authors and

educators. He initiated and led an underground ministry when the Communists seized Rumania in 1945. He was arrested along with his wife Sabine in 1948, spent three years in solitary confinement, where he underwent regular tortures. After eight years he was released and then re-arrested in 1959 when he was sentenced to 25 years in prison. He was released in a general

amnesty in 1964. To avoid his third arrest, Christians in Norway negotiated with the Communist regime for his release from Rumania at a "fee" of \$4,000. The Rev. Wurmbrand was a witness before the U.S. Senate's Internal Security Sub-committee in May 1966, and since has been reported slated for assassination by Rumanian Communists.

## Miss Parsaghatian is bride-to-be

Announcement is being made of the engagement of Miss Patricia Rose Parsaghatian of Detroit, Mich., and Charles Garry Zavarian of Birmingham, Mich.

The bride-elect is the daughter of Mrs. Louis T. Saucier, 2925 Fortune Drive, and Robert Parsaghatian, 12 Devon Hill Lane. The prospective bridegroom is a son of Mr. and Mrs. Barkev Zavarian of Birmingham, Mich.

Formal announcement of the betrothal was made by the bride-to-be's mother and stepfather at a dinner party Jan. 19 at the American Armenian Veterans Hall in Southfield, Mich.

The Very Rev. Paren Medkian officiated at the "Blessing of the Rings," a traditional ceremony, and repeated the Lord's Prayer prior to the meal. Dancing was enjoyed by friends and relatives of the couple following the dinner.

Miss Parsaghatian, a graduate of Granite City High School, is employed as a beauty operator. Her fiancé is attending school and also is employed at a printing firm.

The newly engaged pair is planning a July 5 wedding at St. John's Armenian Church in Southfield, Mich.

Among those attending the engagement party were Mrs. Rose Parsaghatian, Mr. and Mrs. Robert Parsaghatian and children, Diane and Bobby, Mr. and Mrs. Louis T. Saucier and Mr. and Mrs. Richard Asadorian, all of Granite City; Miss Barbara Tutelian of Boston, Mass., and Bob Akulian of Racine, Wis.

## Travelers Abroad elects Lynn

Travelers Abroad met at Prather Junior High on Monday evening with Vice-President Don Rouland presiding.

The following officers were elected: President, Roy Lynn, first vice-president, Edmund Firmer, second vice-president, Mrs. E. L. Ackerman, treasurer, Miss Julianna Hodebeck, and secretary, Mrs. Grace Range.

Mr. and Mrs. Ernest E. Rouland discussed their recent trip to American Wood Preservers Association in Nassau. The couple traveled on the luxury liner Flavia, which left Miami, Fla., at 5 p.m. and pursued a leisurely course to the port of Nassau, some 200 miles distant, arriving the following morning.

The showed pictures of Fort Charlotte, which commands the western entrance to the harbor whose guns were never nee to repel an invader.

Nassau harbor itself is filled with luxury yachts and other pleasure craft, the Roulands noted, and is surrounded by enormous hotels and gambling casinos. The home of the late Duke of Windsor and the Queen's Staircase, a flight of 66 steps hewn out of solid rock with hand labor, also are landmarks of Nassau harbor.

Rouland also showed some views of Pearl Harbor, Hawaii, and provided data which illustrated how the Japanese, who failed to seize Hawaii by force in 1941, have recently been making huge purchases of real estate there. Japan has been sending so many immigrants that the Japanese may well be about to gain Hawaii by peaceful means, the speaker noted.

## Travelogue films

Travelogue films will be presented at the Venice Public Library at 7:30 p.m. Monday. Showing of the films, "Alaska-U.S.A." and "Producers of the Everglades," will be open to the public. There will be no admission charge.

# Beta Sigma Phi to select queen

Five local chapters of Beta Sigma Phi Sorority have selected candidates for the honor of becoming Valentine Queen at the annual benefit Valentine Ball on Saturday evening, Feb. 16.

Those nominated by their individual chapter are:

Mrs. Julia Jenelle Gates, Theta Theta; Mrs. Cheryl Gibson, Pi Eta; Miss Ivey Humphrey, Theta Iota; Mrs. Onnalee Jane Laule, Xi Epsilon Chi; and Mrs. Shirley Parmley, Nu Zeta.

The ball will be sponsored by the sorority's City Council, a central organization consisting of representatives from each chapter. This year's event will take place at the Granite City Army Installation.

A buffet dinner and dance will commence at 6:30 p.m. Feb. 16, with music for dancing provided by Duke Dudley and his trio.

Mrs. Ellen Aline Wilson, the retiring queen and the public is being invited to attend the function. All proceeds will be donated to charity.

Tickets, admitting two persons, cost \$15 and may be obtained by calling—Sharon Rush, 931-6429; Mrs. Parmley, 877-8728; Barb Wagner, 874-4920; Mrs. Gibson, 727-0271; and Norma Rains, 876-3518.

Candidates will be judged on civic participation, past honors and social eloquence. Sharon Rush, president of the Granite City Business and Professional Women's Club; Mrs. Sandy (Noeth) Innes, an active member of the POW and MIA movement; Lt. Col. Donald J. Elmore, commanding officer of DAHSA in Granite City; State Rep. Horacio Calvo and Joe May of Mascoutah, editor of Sports Weekly and sports director of WGNW Radio.

Sorority members nominated for Valentine Queen honors represent all aspects of civic and community life, Mrs. Wilson noted.

Mrs. Gates, a native of Granite City and a local high school graduate, is active in fund-raising drives for Muscular Dystrophy and Multiple Sclerosis. She is a PTA board member, and a room mother at Maryville School, collects toys at Christmas time for underprivileged children and works for disabled veterans.

Insurance Co. employee, and the mother of Scott, 5 and Jennelle, 2. Mrs. Gates was president of Theta Theta Chapter for three years, served as secretary, received "girl of the year" honors and held the office of City Council vice-president.

She received the Betty Crocker Homemaking award upon graduation from high school and her hobbies include sewing, bicycle craft and ceramics, ice skating, cooking, house plants, bicycle riding, reading and shopping at garage sales and flea markets.

Mrs. Davis is the daughter of Nathaniel and Helen Davis of Granite City. She has belonged to Beta Sigma Phi for eight years.

Pi Eta Chapter has selected its president, Mrs. Gibson, as queen candidate. She is married to David Lee Gibson, who is employed by Gordons Transports, Inc. The couple has two children, Heather Lynn, 2½ years, and Jeffrey David, 10 months.

Born in Knoxville, Tenn., Mrs. Gibson attended Memphis State University prior to being employed as a private secretary with U.S. Industries

Inc. in Memphis. She has been a member of Pi Eta Chapter two years and was social chairman in 1973.

An active sports enthusiast, Mrs. Gibson has played softball for St. Margaret Mary in the Church League the past four years and was awarded "most valuable" player honors last season. She is a league bowler and played basketball for a women's city league in college.

As a high school student she played on the cage squad for five years, captaining the team as a senior and receiving "all district," "most valuable player," "all tournament" and "All State Honorable Mention" in the sport.

Mrs. Gibson has worked in such campaigns as Easter Seals, March of Dimes and Heart Fund. This year she is serving as a March of Dimes area captain.

She is the daughter of Mr. and Mrs. Tom Jones of Kinder, La. She also enjoys swimming, skiing, fishing, hunting and dancing.

Miss Humphrey is seeking the Valentine queen's crown as nominee of Theta Iota

Chapter. She is the daughter of Mrs. and Mrs. Owen Humphrey. Her father is the curriculum coordinator for the Granite City School District.

Born in Fayetteville, Ark., Miss Humphrey is a graduate of Granite City High School. She is employed as a clerk at the First National Bank in St. Louis.

Miss Humphrey is an active member of the Church of Christ, where she is a Sunday school teacher. She joined Theta Iota Chapter two years ago and has served as treasurer.

She enjoys music, bowling and needlework, plus swimming and traveling. She is a member of the First National Bank bowling league and served as team captain in 1972.

Mrs. Laule, Xi Epsilon Chi's Valentine queen nominee, was born in Galesburg, Ill. She was graduated from Avon (Ill.) High School and attended Western Illinois College at Macomb.

An active volunteer in many charitable endeavors, Mrs. Laule has worked on behalf of the Heart Fund and similar campaigns to raise money in

## 6 tickets left for Curtin's Up trip

Six tickets remain for the Granite City Park District's Feb. 10 trip to the Curtin's Up Dinner Theatre at Ballwin, Mo., to see the show "Marriage-Go-Round."

Reservations, costing \$10.35 per person, include a smorgasbord dinner, roundtrip transportation and admission to the live theatre performance. Those interested may contact the Wilson Park office, at 877-3059, Friday.

the community.

Mrs. Laule is a widow and the daughter of Mr. and Mrs. Glenn S. Mitchell, who are retired farmers now living in Avon.

In Beta Sigma Phi, she has held the offices of president, vice-president, treasurer, secretary, corresponding secretary and City Council president.

Mrs. Laule is employed as an OS&D and clerical clerk. Her hobbies include sailing, boating, knitting, raising dogs, remodeling old homes, bowling and fanning.

Mrs. Parmley is the wife of Granite City Alderman Jerry Parmley, a foreman at Granite City Steel Co., and the mother of four children, Kathleen, 18, Lance, 16, Ross, 11 and Joan, 9. She is the Nu Zeta candidate.

A Granite City High School graduate, Mrs. Parmley is employed as receptionist secretary at the Razor's Edge Barber Shop. Her hobbies are hunting and fishing.

Mrs. Parmley has been a member of Nu Zeta the past eight years. She has served twice as chapter president and social chairman and also as treasurer.

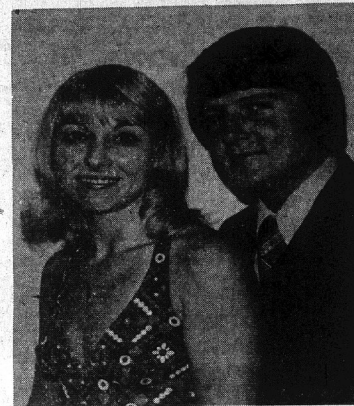

She was Tri-City area March of Dimes chairman in 1969 and area advisor in 1970. Previously, she was a March of Dimes area captain for three years. She volunteered to work in Heart Fund campaigns from 1962 to 1970 and for three years aided the Muscular Dystrophy drive.

Active in politics for 10 years as a Democratic precinct committeewoman, Mrs. Parmley served as president and secretary for two terms with the Granite City Democratic Committeewomen's organization.

She was chairman of the Democratic headquarters here in 1970 and co-chairman of the Shapiro headquarters in Granite City in 1968. Last year she served as chapter to the DeMolay state sweetheart.

The Nu Zeta nominee was voted an "Outstanding Young Woman of America" in 1970 and appeared in the 1971 edition of "Who's Who." She is the daughter of Mrs. Lillie Bruggemann and the late Everett Brokaw.

Mrs. Wilson, the retiring queen, is secretary of Pi Eta Chapter and corresponding secretary for the City Council. She and her husband, David, are the parents of Scott, 5, Jon, and Paul, 3. She is the daughter of Mayor and Mrs. C. L. McMackin of Salem, Ill.

TO MARRY: Miss Janice Derner and her fiancé, John Blakey. Their engagement is being announced by the bride-to-be's parents, Mr. and Mrs. Frank L. Derner, 901 Washington Ave., Madison. Wedding plans are indefinite at the present time.

## 'Miss Sweetheart' event at Grigsby on Saturday

About 1,500 youngsters from at least 10 states will compete in the "Miss Sweetheart" contest Saturday at Grigsby Junior High School.

The annual event is one of four to be held in Granite City this year with others held in April, June and September.

The contest includes baton twirling and poise events. Ten major trophies will be awarded, three in the "Miss Sweetheart" poise competition, three in girls' baton "twirl-off" classes and one in boys' twirl-off. Three will be offered for the highest entries in total points. Nearly 700 smaller trophies also will be awarded.

## Opera program

The voice faculty and members of the SIUE Opera Fraternity will present an afternoon of opera Sunday Feb. 3, at 3:30 in the Communications Building theater. The public is invited, admission free.

Granite Cityans Deborah Hightower, Paul Mabrey and Deborah Milton will participate. Director of the operatic program is Sarah Travers Turner, and assisting her will be staff pianist John Gross of St. Louis and piano students Jan Jorde of Cando, N. D., and Delana Thomsen, St. Louis.

Works of Pergolesi, Mozart, Tchaikovsky, Menotti, Beethoven, Strauss and Massenet will be featured.

## 1,158 Quad-Cityans now attending SIUE

Winter quarter enrollment for on-campus programs at SIUE totals 10,385, Robert M. Bruker, director of admissions and records, said yesterday. The total is a 5.9 per cent drop from the winter quarter 1973 total of 11,061.

A statistical summary shows the enrollment includes 9,264 in-state students from 83 of the 102 Illinois counties, 825 out-of-state students from 37 states and the District of Columbia, and 132 foreign students from 37 countries.

The breakdown also includes 64 students enrolled on a year-round basis at the School of Dental Medicine in Alton.

Enrollment from Madison County totals 4,724. The total from St. Clair County is 5,121.

Other counties with 10 or more enrolled are Bond, 73; Calhoun, 20; Champaign, 10; Clinton, 164; Cook, 100; DuPage, 17; Effingham, 21; Fayette, 23; Greene, 22; Jackson, 12; Jefferson, 13;

Jersey, 57; Lake, 14; Macon, 13; Macoupin, 289; Marion, 49; Monroe, 108; Montgomery, 101; Peoria, 11; Randolph, 34; Sangamon, 45, and Washington, 18.

The out-of-state totals include 797 from Missouri, primarily the St. Louis area, and 15 from Indiana and 11 from New York.

Foreign enrollment includes 32 from Nigeria, 22 from Iran and 16 from West Pakistan.

A breakdown of enrollment by municipalities in Madison County follows: Alhambra, 9; Alton, 890; Bethalto, 139; Collinsville, 394; Cottage Hills, 28; Dorsey, 7; East Alton, 243; Edwardsville, 1,068; Glen Carbon, 62; Godfrey, 157; Granite City, 933; Hamel, 15; Hartford, 17; Highland, 97; Livingston, 21; Madison, 126; Marine, 32; Maryville, 13; Mitchell, 3; Moro, 20; New Douglas, 19; Rosana, 11; St. Jacob, 11; South Roxana, 22; Troy, 82; Venice, 36; Wood River, 245, and Worden, 34.

### Mrs. Frieda House succumbs

Mrs. Frieda House (Paust), of 65A Deborah Court, 70, a resident of Granite City for 56 years, died at 10:50 p.m. Monday in St. Elizabeth Hospital following a brief illness. She had been ill for the past year.

Mrs. House was born in Edwardsville and moved to Granite City in 1918. She was a member of St. Peter's Evangelical Church, a member and past president of the Veterans of Foreign Wars Post 1300 Auxiliary, and a past president of the VFW District 12 auxiliary.

She is survived by her husband, Harvey House; two sons, Russell Tolleson of Edwardsville and Robert Tolleson of Granite City; one daughter, Mrs. Cleatis (Mary Jane) Steiner, Highland; one sister, Mrs. Edith Rube of Granite City, one brother, Roy Paust of Granite City, three grandchildren and one great-grandchild.

Funeral arrangements are given in today's obituary column.

### Sues after injury

Illinois Gulf Central Railroad Co. has been named as defendant in a \$50,000 suit filed in Madison County Circuit Court by Willie Williams. He alleges he fell on snow and ice on Jan. 9 in the railroad's Brooklyn yards and sustained injuries.

## Workshop by farm committees

By WARREN W. BUNDY  
Madison County Farm Adviser

Six committees appointed by the Madison County agriculture extension council will have a program planning workshop Tuesday, Feb. 5, from 10 a.m. to 2 p.m. at the Farm Bureau building in Edwardsville.

These committees discuss programs and make recommendations to the council for educational efforts to receive emphasis in the University of Illinois agriculture extension program here next year.

Committee members will welcome program ideas from anyone in Madison County. Committee members are:

Agonomy: Leonard Schaefer, Granite City, chairman; Albert Brandt, Worden; Robert Henschen,

Alhambra; Louis Koeller, Godfrey; Delbert Klenke, New Douglas.

Four-H Club and Youth: Joseph Geiger Jr., Highland, chairman; Darwin Meier, Troy; Harold Balsters, Bethalto; Udell Welhing, Alhambra; Mrs. Dorothy Wenz, Marine; and Mrs. Marilyn Howerton and Gerald Stahlhut of Edwardsville.

Horticulture: George Willaredt, Edwardsville, chairman; Mrs. William G. Flanagan, Troy; Walter Bohn, Collinsville; Donald Bunselmeier, Granite City; and Thomas H. Burns, Mrs. B. J. Iselhardt, Mrs. Clifford Stahlhut, Mrs. Kermit Ratzlaff and Robert W. Esch, all of Edwardsville.

Livestock: Ben Givlio, Alton, chairman; Elmer Klenke, New

Douglas; John Ernst, Alhambra; Gerald Stahlhut, Edwardsville; and Leslie Malan and Duane Steiner of Highland.

Dairy: Louis Wiemers, Dorsey, chairman; William Brase, Edwardsville; Bill Dorsey, Moro; and Waldo Keibach, Leland Steiner and Carl Baumann of Highland.

Farm Management: Harley Willaredt, Collinsville, chairman; Dale Rogier, Highland; Ronald Hemann, New Douglas; and Wilfred Grylls and Harold Heepke of Edwardsville.

Committee member-at-large: Council Chairman Vernon Becker, Moro.

There may be substantial price discounts this summer for wheat that is "garlicky,"

Woods Specialist Marshal McGlamery said at the Madison County Agonomy Day last week.

He said he has heard of possible price discounts ranging from 15 cents to as much as \$1 per bushel for garlicky wheat.

Garlicky wheat is a result of wild garlic bulbs harvested with wheat and causing a garlic odor in the grain.

To control garlic in infested wheat fields, treat the fields with 2,4-D after the wheat has finished tillering in the spring and before it is in the boot stage.

April is usually the proper time. The correct rate is one-half pound active ingredient of the ester form of 2,4-D per acre. This amount may slightly reduce the wheat yield, and it will probably destroy legume underseedings.

Even this heavy rate will kill only 30 to 50 per cent of the garlic plants, but the remaining plants will usually be so distorted that the combine will miss them if the wheat is not lodged.

The treatment is equally effective in controlling wild onions in wheat.

Entomologist Steve Moore at Agonomy Day discussed insects that may be a problem in Madison County this year.

Problem insects may include European corn borer, fall armyworm, corn leaf aphid, wireworm, cutworm, green cloverworm, soybeans, white grub, and stored grain insects including Indian meal moth.

This will be a peak year in corn and soybeans for white grub, which has a three-year life-cycle.

Moore said that once you have the white grub problem and the crop is up, there is nothing you can do to control the insect. He said to watch for white grubs in the soil, use a row treatment of recommended insecticide when you plant corn or soybeans.

Grasshoppers are not expected to be a major problem this year.

We are south of the area where corn rootworm is a major problem, but the area gradually is moving closer to us and the situation bears watching.

528th AIR FORCE BAND stationed at Scott Air Force Base presented a concert at Madison High School Tuesday morning. The band, under the direction of Senior Master Sgt. Jesse L. Brown, superintendent-conductor, performed a variety of selections from traditional military marches to modern jazz. The band leaves next week for a Music Educators conference in Oklahoma City, Okla. They perform 200 concerts a year. (Press-Record Photo).

REVIEWING MUSIC PROGRAM prior to the concert Tuesday morning at Madison High School is Senior Master Sgt. Jesse L. Brown, center, superintendent-conductor of the 528th Air Force Band stationed at Scott Air Force Base. Students, all members of the MHS band, left to right, are Peter Lecko, Randy Steele, M-Sgt. Brown, Jeff Uriste, and Peggy Stagner who is student council president and who introduced the band to the student body. (Press-Record Photo)

## Home builders offer warranty

The Madison County Home Builders Association, whose president is Gary Davis, has adopted a new ten-year home warranty program. It was announced this week.

National Association of Home Builders President George C. Morton moved the home warranty program toward implementation on Jan. 22 by initiating a formal agreement with a national insurance carrier and with 38 NAHB affiliated state and local associations.

Acting in his capacity as chairman of the board of directors of the Home Owners Warranty Registration Council, Morton entered into a formal agreement with the American Bankers Insurance Co. of Florida.

The insurance firm has agreed to provide coverage for a premium that will be within range of \$2 to \$2.20 per thousand.

Insurance coverage will be available for all types of single-family residential structures.

In the first year, the builder is responsible for defects caused by faulty workmanship or materials, as well as major construction defects.

In the second year, the builder is responsible for major construction defects as well as defects in the plumbing, heating, electrical and cooling systems.

From the third through the tenth year, the home owner is protected from major construction defects.

Morton has been a major force behind the effort to set up the new program, called "an outstanding example of voluntary action by American business" to serve consumers.

Mrs. Virginia Kenauer, special assistant to the President for consumer affairs, said success of the program depends on "the consumer's confidence that he will get as fair a hearing as he can."

rough the mechanisms that are provided as he would if he took it to court."

The insurance coverage is paid for by the builder and should be available through the participants of the Madison County Home Builders Association within 30 days, it was announced.

AUTOMOBILE TAKEN  
William Laycock, 2323 Porton Road, reported early this week that his 1968 auto had been stolen from Niedringhaus Avenue and Iowa Street.

## Richards to retire from Laclede Steel

Roland W. Richards, senior vice president and secretary of Laclede Steel Co., has announced his retirement effective Feb. 28. He will continue to serve as a director of the company.

Richards, whose career with Laclede spans 42 years, has also served as president of Laclede's subsidiary companies—Southern States Steel, Wood River Processing Corp. and Laclede Tube Co.

A graduate of the Hill School, Pottstown, Pa., and an alumnus of Harvard College, Richards began his career with Laclede Steel in 1932.

He was promoted to assistant vice president in 1942 and was elected president in 1944 and a member of the board of directors in 1947. He was named senior vice president and secretary in 1965.

Well known for leadership in civic and cultural activities, Richards has served as president of the St. Louis Symphony Society, trustee of the Edward Mallinckrodt Foundation and the Government Research Institute, board member of the St. Louis

ROLAND W. RICHARDS

United Fund, Catholic Charities of St. Louis and St. Joseph Institute for the Deaf, and a member of the Executive Committee, President's Council, St. Louis University.

He also is a longtime member of the American Iron and Steel Institute and a past director of the Federal Reserve Bank of St. Louis.

## St. Louis U. Phi Delta Kappa will study open education drive opens

The Gateway East Field Chapter of Phi Delta Kappa will meet Saturday at Lewis and Clark Restaurant, East Alton. The breakfast meeting will start at 9 a.m.

David Mills, assistant superintendent, Educational Service Region, Jersey County, is program chairman.

The program, "Open Education—Comparing the Programs Between British and United States Schools," will be presented by Dr. James Comer, associate professor in education, Southern Illinois University at Edwardsville.

Dr. Comer has had 16 years of experience in public school education at all levels. He has been an instructor at SIUE since 1965. He received his doctoral degree from Oklahoma State University.

Dr. Comer became interested in open education about four years ago. He visited the British schools last summer, and has been in contact with people from the British Isles for several years in reference to open education.

Currently, Dr. Comer is serving as director of the Teacher Education Center in Cahokia.

Chapter officers for 1973-1974 are: president, Robert D. Todoroff, music instructor, Granite City; vice president, Jerome R. Podessa, superintendent, East Alton Elementary District; secretary, Walter B. Bartholomew, SIU conference coordinator; treasurer, Donald E. White, administrative assistant, Highland Schools, and historian, Carl Compton, retired, East St. Louis.

CHARGED AS CALLER Alvin Papier, 23, who resides at the YMCA, was arrested on the third floor of the Granite City Hall this week and named on a state disorderly conduct charge. He allegedly had been making obscene telephone calls to a Granite City family.

Other general chairmen will be: 1973, Eugene F. Williams Jr., president, St. Louis Union Trust Co.; 1976, Clarence C. Barksdale, president, First National Bank in St. Louis; 1977, Donald E. Lasater, chairman of the board, Mercantile Trust Co.; and 1978, Willard L. Levy, chairman and chief executive officer, Angelica Corp.

## Legion marks year of growth

A year of achievement in both its civic endeavors and membership growth was recorded during 1973 for Tri-City Post 113 of the American Legion, Post Commander Donald R. Morris reported today.

Legionnaires of Post 113 sponsored and participated in the following programs and services for the benefit of the Tri-City youth.

Two boys were sponsored at Boys' State during the year. They were David Heth and Kenne Kilbath. Both reported on their activities at the annual post installation. Boys' State is a period during which time state government is turned over to outstanding youth for operation, usually amounting to one day.

Post 113 sponsored a School Medal Award during the year for leadership in which ten students throughout Granite City were honored with American Legion awards.

Under leadership of Burt Harris, more than ten veterans were placed in jobs through a job fair.

Many of the post members participated in blood donation programs. Some have contributed three gallons and more over a period of years.

Included in the report for 1973 was the work performed by Post Service Officer Stanley

Edwards who assisted seven veterans in their claims for benefits. In addition, the service officer assisted in the processing of claims for four survivors of deceased veterans.

"All of Post 113's accomplishments were assisted by the membership growth we achieved during 1973," Commander Morris noted. "With the increased strength of our post, we have established a base upon which we can continue to build even greater programs of benefit to the Quad-City area."

He announced that the post has embarked on program goals for 1974 that include School Medal Awards, American Legion baseball and

Boys' State.

"All of our endeavors for the coming year are geared to the Legion's theme of 'be counted again,'" Commander Morris said. "As a war veteran, every Legionnaire counted once with his or her service in the uniform of our country. Now Legion membership provides an opportunity to 'be counted again' in services and programs dedicated to the strength of community, state and nation."

1965 CAR IS STOLEN The 1965 auto of Donald Goldschmidt, 2525 Delmar Ave., was stolen from his home, he reported this week.

BURGLARIZE GARAGE The garage at the home of Rick DeMaris, 2713 Buxton Ave., was burglarized after a piece of cardboard was pushed from a door to gain entrance. It was reported. Taken were a welding unit and a \$40 postraction unit for a car.

PLAN PAPER BALLOTS Paper ballots are to be used in voting for County Board members in this year's primary and general elections, due to the large number of combinations of other candidates to be listed on voting machines. County Clerk Eulalia Hotz reports.

\*Manufacturers suggested retail price, excluding destination charges, dealer preparation, state and local taxes. White walls and wheel covers as shown are optional.

As you can see, Duster's price is below popular Japanese imports. And what you do spend, buys you a lot more. For example, Duster seats five adults, you do spend, buys you a lot more. For example, Duster's got an electronic ignition that virtually eliminates ignition tune-ups. The other three don't even offer one. And finally, Duster is every inch a compact. With easy handling and parking. Good gas mileage on regular fuel. And low upkeep. Want a lot of car for the money? Then see a member of our Economy Team about a new Duster. You know what I mean?

**BOARD OF DIRECTORS.** Newly installed directors of the American Association of Retired Persons, Granite City Chapter 1340. Front row, from left to right—Edgar Paddock, associated services; Arthur Lindner, program; Orville Riess, official host. Second row, from left—Mrs. Helen Smith, finance; Mrs. Grace Paddock, community services; Mrs. Viola Lindner, program; Mrs. Caroline Lux, public relations; and Mrs. Clara Riess, official hostess.

### Retired Persons' board convenes

New directors and officers of Granite City Chapter 1340, American Association of Retired Persons, Inc. (AARP), convened for their first executive meeting this month at the East Side Levee and Sanitary District board offices on Madison Avenue.

Harold Wyatt of Collinsville, AARP assistant state director, attended the meeting and reviewed projects undertaken by the chapter during its first year of existence. He was accompanied by Mrs. Wyatt and Mrs. Margaret Werth of Collinsville.

Plans for 1974 were formulated and committee assignments were made by Mrs. Vernice Wortman, the new president.

Other new officers are Mrs. Vina Law, secretary; Mrs. Clara Schilling, treasurer and Charles Kelly, vice-president.

Board members include Helen Smith, Grace Paddock, Viola Lindner, Caroline Lux and Clara Riess.

### Hamilton-Good betrothal told

The betrothal of Miss Kris Good, Rural Route Two, Box 1114, and Frank Hamilton, 4461 Highway 162, is being announced.

Miss Good is a daughter of Mrs. Rose Ballard of St. Louis and Glenn Good of Toledo, Ohio. She is employed by Ameron Automotive Corp. St. Louis.

Her fiancé is employed by the Illinois Department of Transportation at French Village. The newly engaged couple is planning to be married on July 20.

### Jolly 12 meet at Michel home

The Jolly 12 Pinocchio Club gathered at the home of Mrs. Verna Michel, 1915 Pontoon Road.

After a noon luncheon, the group played pinocchio and prizes were awarded to: Mrs. Michel, first; Mrs. Pauline Stephens, second; Mrs. Kathryn Smithson, third; and Mrs. Ardell Lange, fourth. Mrs. Penny Ousley received a consolation prize.

Others attending the meeting were Mrs. Emma Steinberg, Mrs. Jean Barnes and Mrs. Mabel Lehne.

The next meeting will be in two weeks at the home of Mrs. Ousley, 1713 Fourth St., Madison.

### McKinley PTA planning carnival

Plans for a school carnival in March were announced at a meeting of the McKinley School PTA last week.

Also reviewed in the business session were arrangements for a special program at the Feb. 5 general PTA meeting when Miss Cleo Ulm will discuss activities at the McKinley learning center. Membership awards will be distributed the same evening. It was announced.

Preparations were started for the annual "Ideas of March" carnival, scheduled from 5 to 8 p.m. on March 8 at the school. The event will feature a \$1 supper of sandwiches, potato salad, dessert and beverage and the carnival area will include booths and games.

Students with parental consent will sell advance tickets for the supper beginning Feb. 22, with the pupil selling the most tickets receiving an award. Posters advertising the carnival will be made and submitted to two KTVI Channel 2 programs, PTA officers said.

A candidate for the Granite City PTA Area Council's life membership award will be selected by the McKinley unit for presentation at the council's annual awards dinner on Feb. 21 at Granite City High School North.

Members were advised that hot chocolate will be available

## Christiansen-Medeiros wedding at St. Mary's

Miss Faith Theodora Medeiros of Honolulu, Hawaii, and Walter R. Christiansen of Madison were married Jan. 4 in a double ring ceremony at St. Mary Catholic Church in Madison.

The Rev. Michael Charland O.M.I. officiated at the 7 o'clock evening service. A double ring ceremony was used and the nuptial liturgy was celebrated by the Rev. Sylvester Micek O.F.M. and Joseph Svoboda O.M.M.

The Rev. Frank Werten O.M.I. was the guitarist and soloist. Selections included "Yahuweh," "The Wedding Song," "Sometimes" and "Ode to Joy."

Parents of the bride are Mr. and Mrs. Abel P. Medeiros, 3941 Pakulani Place, Honolulu. Mr. and Mrs. Walter R. Christiansen, 1616 Fourth St., Madison, are the parents of the groom.

Miss Joan Mailander, maid of honor, and Miss Mary Louise Feldhake, bridesmaid, were dressed in royal blue velvet gowns with V necklines and the full length A-line skirts, unified at the waistline, flowed softly to the floor.

The sleeves were long and gathered into a deep cuff. Each attendant wore a light blue velvet robe braided entwined in her hair and carried a long stemmed rose.

The junior maids, Miss Mary Ann Welle and Mary Jo Welle, nieces of the bridegroom, wore long blue velvet frocks fashioned in Empire style with round necklines and long sleeves, a dark blue ribbon traced the waistline, ending in a bow at the back of the full, gathered skirt.

They had braided velvet ribbons in their hair and held a single red rose.

Both mothers selected full length gold colored dresses. Each wore a corsage of three fresh orchids flown from Hawaii especially for the wedding.

The groom chose Thomas Ovalle O.M.I. of San Antonio, Tex., to be his best man. Groomsmen were Lon Konold O.M.I. of San Antonio and John Medeiros, brother to the bride, of Honolulu.

Steve Bulla and Larry Welle, both of Granite City, served as ushers.

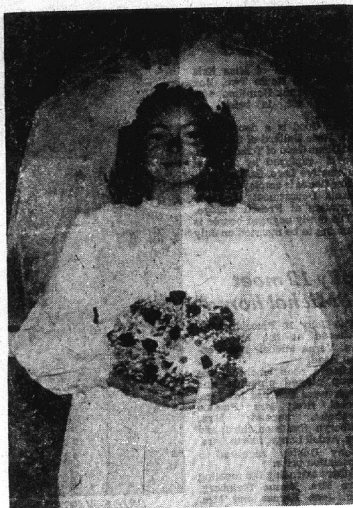

The former Miss Medeiros wore a bridal gown made by her mother of cotton Leno woven voile, ribboned with embroidered lace and accented at the neckline, sleeves and cuffs with crocheted lace.

The dress had a fitted bodice in an Empire cut with a pale blue velvet ribbon around the waist to complement a row of delicate blue buttons at the neck.

Tafeta, satin crepe and voile created the full gathered skirt worn over a petticoat of hand-made lace, inserted with blue satin ribbon, belonging to the bride's grandmother and brought here from Hawaii. The sleeves were fitted above the elbow becoming fuller then gathered tightly into a cuff of crocheted lace.

## 20 in 'Met' opera auditions

Twenty contestants have been accepted for fifth annual district auditions of the Metropolitan Opera National Council's regional competition Feb. 8 at SUE.

"This is the largest number we have had," says Prof. William Tarwater, chairman of the SUE music department. "It is the best lineup of potential and should be by far the best competition."

Represented in the auditions at SUE will be students of area private teachers and students at the Carbondale and Edwardsville campuses, featuring all types of voices.

Auditions will begin at 1 p.m. in the Communications Building auditorium. The public is invited, admission free.

Judges will be Charlotte Holerman of St. Louis, a former Metropolitan opera singer; Norman Abelson, voice teacher at the music conservatory in Kansas City, Mo.; and Kenneth Schuller, a music critic.

The most promising contestants heard at SUE will be selected to compete against other district audition winners from the central region.

Regional semifinals and finals will be held in Chicago Feb. 25-26.

The first-place winner in regional finals will be sent to New York to compete in national semifinals March 10-24.

The central region winner and winners of the other 15 regions will audition before the Met general manager and his staff on the stage of the Metropolitan Opera House.

Co-sponsors of local auditions are the SUE music department and the Friends of Music of SUE.

## Cancer Crusade here in April

Preliminary plans for the annual Cancer Crusade in the local community were formulated this month by the Quad City Unit of the American Cancer Society at a meeting at Charlie's Restaurant.

Joseph Lucido, manager and assistant treasurer of Granite City Steel Federal Employees Credit Union, was in charge of the planning session.

Also present were Attorney Thad Cartes of Allon, Madison County Crusade chairman; Mrs. Harriet Horn, county service chairman; Earl Dolzauer, vice-president; and director of First Granite City National Bank and Granite City business chairman; Mrs. Ruth Wilderman, area executive

director and Gene Crivello, assistant executive director, both of the Madison County unit.

Lucido stressed that volunteers are needed to aid in the local fund-raising campaign, scheduled in April. Interested persons are being asked to call Lucido at 455-7116, Mrs. Horn at 877-3708 or Ronald Bueben, local Crusade co-chairman, at 452-1813.

Madison County area are now receiving services of the American Cancer Society.

Lucido said the campaign, which the door-to-door campaign, special events and memorial gifts are the only funds the society receives to finance the entire program.

## Sweetheart dinner for Harmony Class

The Harmony Sunday School Class of Niederrhein United Methodist Church met during the weekend in the home of Mr. and Mrs. Fred Sticht, 254 Benton St. with Mr. and Mrs. Waldo Frohardt as co-hosts.

John Lerch led devotions on the subject of "Stewardship."

Edgar Padlock was appointed to make final arrangements for a sweetheart dinner Feb. 23 at the Round Table on Route 157.

Games were played, with prizes awarded to Waldo

Frohardt, Ruby Corbitt and Elizabeth Dux.

A buffet lunch was served to Mesdames Corbitt, Ruth Purkey and Cleveland Cox and Mr. and Mrs. Padlock, Mr. and Mrs. Harold Lynn, Mr. and Mrs. Clyde Myers, Mr. and Mrs. Carper, Mr. and Mrs. Calvin Compton, Mr. and Mrs. Lerch, Mr. and Mrs. Bob Richardson, Mr. and Mrs. Paul Martin, Mr. and Mrs. Raymond Dix, Mr. and Mrs. John Hutton and guests, the Rev. and Mrs. Roy L. Baugh.

## Unit donates to Carillon Fund

A donation to the Carillon Fund, which helps pay the upkeep of Arlington National Cemetery in Washington, D.C., was made by Amvets Auxiliary Unit 51 at its late January meeting at the Post Home, 5100 Lakeview Drive.

Mrs. Charlotte Damal, president, was in charge of the business session and also was

honored by members with presentation of a decorated cake in observance of her birthday.

Plans were made to attend a joint installation dinner of Disabled American Veterans Chapter 59 and Auxiliary held during the weekend at the DAV Hall on 19th Street, and to sponsor a Valentine party Feb.

Reports were made by Mrs. Jean Murphy, treasurer, and Glenda Brockman, secretary.

A "thank you" note was read from a Jefferson Barracks Hospital administrator in response to a donation made by the unit in December. Money, food, clothing and toys were delivered to the family of a veteran during the holidays, it was reported.

Mrs. Betty Wilkins and Mrs. Ann Tucker, hostesses, served refreshment during a social hour. Mrs. Damal was awarded a white elephant gift.

## GC Junior Service reviews activities

Granite City Junior Service Club heard reports concerning club activities at a meeting in the Granite City Civil Defense Center, 1411 Nineteenth St.

Mrs. Phyllis Grimm said seven members attended the Jan. 19 Federation of Junior Service Clubs luncheon in Edwardsville. Mrs. Louise Wade of the local group has been nominated as federation treasurer, she said.

As the January charitable project, a donation was made to purchase socks and underwear for grade school youngsters. Last month, a quantity of coats and other clothing, plus \$50 in cash to purchase shoes, were presented to the Community Closet, formerly the Nearly New Clothing Center, now located at the Salvation Army building.

Also in December, 30 Christmas stockings were delivered to St. Elizabeth Hospital in which newborn infants were carried home and club members entertained patients at the Colonades Nursing Home, it was reported.

Mrs. Marilyn Bodman was appointed by Mrs. Mary Lou Worthen, president, to arrange a special party in February. Plans also were made for a board meeting Feb. 11 at the home of Mrs. Carolyn Thornburg.

## Crystal shower for bride-elect

Miss Barbara Black, a February bride-elect, was honored at a crystal shower this week at the home of Miss Melanie King, 2575 North St. The honoree will be married Feb. 16 to Keith Lupardus. She is the daughter of Mr. and Mrs. Aaron Black, 2521 North St.

Games were enjoyed and prizes were awarded to all present. Miss Robin Smith won a special award.

The gift table was decorated with pink and white streamers suspended from large pink flowers to a crystal swan centerpiece in which floated fresh carnations. Many gifts were presented the guest of honor.

Favors were miniature arrangements of dried flowers in tiny flower pots.

Among the guests were Miss Joyce Wuehler, Miss Betty King, Mrs. Ruby Black, Miss Betty Black, Mrs. Josephine Maddox, Mrs. Christine Judd, Miss Vicky Lupardus and Mrs. Janet Cross.

## 'Come as you are' party for chapter

"Just the way you look tonight" was the theme of a "come as you are" party given last week by Alpha Xi Chapter of Epsilon Sigma Alpha Sorority at the home of Mrs. Betty Colligan in Edwardsville.

Connie Grunze and Pat Lalich won prizes for their costumes. Games were played and a toy demonstration was presented.

Refreshments were served by the hostess to Miss Betty Bucatch and Mesdames Sue Sanasarian, Joyce Albers, Kathy Dohal, Mary Fritze, Carol Grimm, Gerry Mendez, Mary Modica, Barbara Orris, Pat Scherrills and the prize winners.

Mrs. Albers will entertain the chapter at its next meeting.

MISS KAY EMBICK, whose engagement to Lindell Browning is being announced by her parents, Mr. and Mrs. Dean Embick of Edwardsville, formerly of Granite City. A late spring wedding is planned.

## Browning-Embick engagement told

Mr. and Mrs. Dean Embick, Route 7, Seven, Box 174, Edwardsville, are announcing the engagement of their daughter, Miss Kay Embick, to Lindell Browning, son of Mrs. Dorothy Browning of Springfield, Ill., and the late Virgil Browning.

The Embicks are former residents of Granite City. Miss Embick substitute teaches in the Granite City and Collinsville school districts.

Both the bride-to-be and her fiancé are 1972 graduates of Olivet Nazarene College at Kaneville, Ill. Miss Embick also has earned her master of art degree from Bethany Nazarene College.

The groom-elect presently is a student at the Nazarene Theological Seminary in Kansas City, Mo.

Plans are being completed for a wedding in late spring.

## Pack 17 cubs to ride Amtrack

A salute to different modes of transportation highlighted the January meeting of Cub Pack 17 held last week at Marshall School.

Conforming to the theme, Mrs. Joyce Wilson, Den 2 leader, announced that pack members will take a ride by Amtrack train from St. Louis to Alton in two weeks.

A make-believe train was the focal point of a game in which the cubs traveled to various states following present directions to achieve their destinations.

After the presentation of colors by Den 1, led by Mrs. Shirley Gann, the pledge of allegiance was repeated in unison and Cubmaster Bill Johnson announced the Weibelo Den as winner of the "Cubby" award for having the most parents represented at the meeting.

Plans for the traditional Blue and Gold banquet in February were reviewed by Mrs. Wilson, who said the Indian dancers from Explorer Post 6 will entertain at the event.

Carlene Givens, advancement chairman, presented awards to Kevin Barnes and Phil Johnson, two-year service stars; David Marks, athlete badge and two-year service star; Tyson Smith, Wolf badge and gold and silver arrow points.

Refreshments were served in the school cafeteria to conclude the evening. Pack 17 is sponsored by Marshall PTA.

## Madison Ladies City club meets

Mrs. Dollie Smith and Mrs. Mary Bucherich were co-hostesses for the Madison Ladies City Organization meeting at the Sportsman's Club in Madison.

Mrs. Eileen Serum, president, was in charge and led the pledge of allegiance. Prayer was offered by Mrs. Violet Bader, chaplain.

A special committee to make arrangements for the annual "Black Cat" dance in the fall months was appointed, and reports were given by officers.

Mrs. Sue Miller, Mrs. Sadie Wojek and Mrs. Kathryn Fellers were named hostesses for the February get-together.

Games were played and refreshments were served to those named and to Mesdames Margaret Michels, Mildred Burgess, Ida Dant, Juanita Jora, Rita Lybarger, Ann Bialak, Frances Trott, Mary Rogers, Julie Goelan, Rose Rodgers, Marg Krekovich, Maxine Costoff, Cora Barr and a guest, Mrs. Elizabeth Malmech.

## Men 'invade' home economics classes

By CATHERINE R. MAUCK  
Madison County Extension  
Adviser—Home Economics

"Bachelor Survival," "The Good Life," and "Human Relations" are some of the home economics courses now being offered to high school and college men as well as women across the country.

Courses in foods and nutrition seem to be the most popular areas of study for men, followed closely by family living and bachelor living courses.

This growing interest in home economics on the part of men seems to have resulted from their need to share family responsibilities or to live as a bachelor if they don't marry. But whether or not they marry, there will continue to be a need among men for more information on better "buymanship" and management of finances.

Many young men are finding that what they want in the ready-to-wear market is not available at a price they can afford, and are turning to a needle and thread as an alternative.

Courses offered in clothing and textiles teach the correct use of equipment and basic sewing tools as well as construction of accessories and clothing articles.

In the past, good grooming has been a much neglected subject in most educational curriculums. However, the motivational force behind learning good habits—pride in appearance—is strongly present among men as well as women.

The hodge-podge of information concerning personal hygiene directed toward young people by the mass media has created a desire among many students to have a clearer presentation of the subject. And a good place to get this information is the classroom.

Finding and furnishing a home is one consumer endeavor that even the most practical-minded male often doesn't think about until faced with the problem.

Courses in home furnishing can inform students about various aspects of housing—such as financing a house (rent, mortgages, building costs), utilities (electric wiring, access to and draining of water, sewage disposal) and what to look for in construction as well as units in furnishings and decorating.

Courses in household equipment are aimed at familiarizing young men and women with the purchase, use and care of commonly used utensils, cookware and cleaning equipment.

Many young men become aware of career possibilities enrolling in home economics courses.

Various resource people from the community, such as utility company representatives, architects, electricians, contractors, appliance repairmen, salesmen and the like, are brought in to discuss their jobs and their relation to home economics.

## Economy 8-Track — MUNTZ 430

The finest, most reliable economy priced car stereo available today. With slide controls, program indicator lights, and vertical head tracking (which virtually eliminates the problem of cross-talk), the 430 is much more than just a "basic" tape player. Regularly priced at \$39.95

## Mini 8-Track — MUNTZ 880

A high-styled unit designed specifically for installation in cars with limited dash-board space (it even fits in most glove boxes). Integrated circuitry (IC) and vertical head tracking assure stable reproduction in the roughest roads. Regularly priced at \$49.95

## Super-Power 8-Track — MUNTZ 2429

We call it "The Tank", and with good reason... its almost indestructible, and it has a whopping 40 watts of power (really)! It even has a "loudness contour" switch (like on component receivers) for extra-full sound at low-to-medium volume levels. Regularly priced at \$49.95.

## Auto-Reverse Cassette — MUNTZ 940

Cassette car stereos that really work (and keep on working) are few and far between... this is one of them, thanks to a unique dual-capstan tape mechanism. Auto-reverse (both automatic and manual), slide controls, IC circuitry and plenty of power are all "Pluses". The 940 is regularly \$79.95

## AM/FM Stereo Radio — CLARION 321B

An ideal unit for custom installation in most small American and foreign cars because of its small size, ruggedness (to withstand road shock), and power output (to overcome tire and motor noise). Regular price is \$59.95

## In-Dash 8-Track with AM/FM Stereo — MUNTZ 608

Everything you need for the heart of a fine car entertainment system, plus the reliability of integrated circuitry (IC) and vertical head tracking for super-stable tape playback. "Factory perfect" custom in dash installation in most U.S. and foreign cars. Regularly the 608 is \$129.95

## Some subtracting exemptions twice

Taxpayers filing the 1040A tax return have the option of using one of two tax computation charts to determine their tax liability.

A problem, however, in returns already filed from this area at the Kansas City Service Center is that some taxpayers are using both.

"Taxpayers with an adjusted gross income of less than \$10,000 should use one of the tax tables in the back portion of the forms package that applies to the number of exemptions they are claiming," Leon C. Green, District Director for Internal Revenue for Southern and Central Illinois, says.

However, if their adjusted gross income is \$10,000 or over, they should use Tax Rate Schedule X, Y, or Z on the back cover of their 1040A tax package, after first subtracting \$750 for each exemption.

"The problem," Green said, "is that some taxpayers with an adjusted gross income of under \$10,000 are using one of the tax tables which already has the \$750 for each exemption figured into it, and then also subtracting \$750 for each exemption. They are, in effect claiming each exemption twice."

"The Internal Revenue Service isn't having a two-for-one sale," Green said. "You can use just one of the tax computation methods and can only claim an exemption once."

For additional information on this or any other tax problem, taxpayers may contact their IRS office by calling the toll-free number shown on page 7 of their 1040A tax package or page of their 1040 tax package.

## Completes AFB academy course

U.S. Air Force Staff Sergeant Garret Silas, son of Mrs. Corinne Silas, 63 Lee Wright Homes, Venice, has graduated from the Air Force Systems Command Noncommissioned Officer Academy at Kirtland AFB, N.M.

The sergeant, who received advanced military leadership and management training, is a communications equipment specialist at Hickam AFB, Hawaii. Sergeant Silas attended Madison High School. His wife, Lois, is the daughter of Lee A. Barnett, Spencer, Okla.

## Leadership by Price in seeking energy solution

Congressman Melvin Price conducted the concluding session of an energy crisis seminar at McKendree College in Lebanon during the weekend.

Rep. Price discussed various aspects of the crisis, with special emphasis on development of new power sources.

Chairman of the Joint Committee on Atomic Energy and Capitol Hill's resident expert on peaceful uses of atomic energy, he explained existing nuclear power programs and outlined plans for future development of coal resources in Southern Illinois.

The seminar, which had been meeting throughout January, involved students representing a cross-section of the college community.

The course included study of energy conservation measures, government control of industry, government programs to develop new sources of energy and the economic effects of the energy crisis.

For three days last week, Congressman Price's Joint Committee on Atomic Energy heard testimony from interested parties on the controversial subject of nuclear reactor safety systems.

On Jan. 22 the committee heard Dr. Dixie Lee Ray, chairman of the Atomic Energy Commission, and Editor G. of the ABC's Directorate of Licensing testify on the emergency core cooling system.

On Wednesday and Thursday, a number of experts, including several environmentalists, expressed their views on reactor safety.

The committee took note of "the serious problem involved in explaining highly technical nuclear energy data to the general public."

A privately funded commission to study the problems of nuclear safety and dissemination of public information was discussed at length.

Consumer advocate Ralph Nader was to testify this week.

During his visit home this weekend, Price attended the annual meeting of Illinois Civil Defense Directors within Mutual Aid Region 4, which includes St. Clair and Madison Counties.

The program included speakers on civil defense programs and legislation, local disaster preparedness and flood insurance.

Price has announced that the Scott Facility Annex at Scott Air Force Base, Belleville, has been declared surplus to federal needs. State and local governmental units will be given the opportunity to apply for the property for public use.

Situated in St. Clair County 20 miles southeast of East St. Louis, the property consists of 53.73 acres of land improved with 94 buildings, 27 of which are family housing units.

## News notes

Missouri Gov. Christopher S. Bond has appointed Macier Shepard, chairman of the Jeff-Vander-Lou Neighborhood Association in St. Louis, as a commissioner of the St. Louis Development Agency. He is to replace W. Munro Roberts, whose term has expired.

Alton Box Board Co. and The Williams Companies of Tulsa, Okla., agreed in principle last week to the 61-year-old Alton-based firm becoming a wholly-owned subsidiary of Williams.

Arven H. Saunders, St. Louis Metropolitan Area Airport executive director, asserts that diverted flights and long delays due to Lambert Airport fog show the need for a new Columbia-Waterloo, Ill., airport with facilities permitting operations in nearly all weather conditions.

Saunders said it would handle up to Category III landing of Lambert's three instrument landing systems, only one meets Category I requirement.

St. Louis area employment dropped from 882,500 in November to 879,400 in December, with 2,500 laid off due to the energy crisis.

Sam Fox, former Quad-City industrialist, who had diversified industries, reported 1973 profits of \$3,910,833 on \$223,272,271 sales, compared to a 1972 loss of \$5,731,403 on \$177,476,957 sales.

The Missouri-St. Louis Airport Authority, whose only role has been to seek a new airport in Missouri rather than Illinois, wants \$401,437 to operate in 1975 and 1976. A Missouri Senate committee postponed a vote last week when Sen. Earl Blackwell called it a waste of money.

Former Texas Gov. John B. Connally Jr. met Friday with Missouri Republican leaders at a St. Louis County hotel.

The Senate Watergate Committee decided Saturday to postpone the six days of hearings it had scheduled to begin Tuesday. Chairman Sam J. Ervin Jr. said the committee wants to avoid publicity that could jeopardize the trial of former Attorney General John N. Mitchell and former Commerce Secretary Maurice Stans.

The newly-formed Illinois Aeronautics Board will hold its first meeting at 2 p.m. today in Springfield at the State Armory, Conference Room B. The five-member board was appointed Jan. 9 in accordance with the new Illinois Air Carrier Act, which went into effect Jan. 1. It has regulatory powers over all air carriers operating within the state.

**BURGLARY ON ROCK ROAD**

## City funds low

Granite City had a balance in its transferable general fund account of \$330,335 at the beginning of this month, including \$207,329 in the working cash fund, City Treasurer Paul Rutledge has reported to City Council members.

Rutledge noted that only \$72,416 remained in the state tax account and \$58,128 in the state income tax account, the principal funds on which the city depends to bolster general fund operating accounts when they run low on available cash.

The \$207,329 balance in the working cash fund makes that amount available to borrow if operating capital is needed, but loans from the working cash fund must be repaid as soon as the city receives revenues, Rutledge said.

As a result of the condition of the transferable fund, the city is facing financial problems in meeting operating expenses of its general fund accounts such as the police, fire and street departments, all of which have balances sufficient for not more than a month's operation.

Rutledge said transfers will be needed from the transferable accounts to meet further expenses, assuming funds will be available to make such transfers.

The city receives monthly allocations in sales tax and income tax funds, but Rutledge has estimated that this revenue for the remainder of the city's fiscal year, ending April 30, will be about \$200,000 short of meeting general fund expenditures.

The treasurer's report showed a Dec. 31 balance of \$14,912 in the street department account, although expenses of that department run about \$4,000 per month. The end-of-the-year balance in the fire department account was \$81,122. That department's costs are approximately \$50,000 per month.

The balance of the police department account was \$52,478, with monthly expenses of that account amounting to approximately \$53,000. Four months of the fiscal year remain.

The treasurer's report showed the city has had total available funds this year of \$3,756,140, including \$810,152 in balances at the beginning of the year.

## Air Reserve scholarships

Students do not have to be enrolled in the Air Force Reserve Officers' Training Corps to apply and be nominated for a three-year AFROTC scholarship, according to Lt. Col. James F. Eberwine, commanding officer of the unit at Southern Illinois University at Edwardsville.

Col. Eberwine said there has been some misunderstanding that enrollment in AFROTC is a prerequisite for application and nomination for a three-year scholarship.

"This is not the case," he said. "We are actively recruiting non-AFROTC students at SIUE and other area colleges. Students may enter the program after they receive scholarships."

The SIUE unit currently has 85 enrolled, including nine at McKendree College at Lebanon and 10 at Belleville Area College.

Col. Eberwine said the deadline for nominations for scholarships this year is Feb. 1. Students who are interested may contact the AFROTC office at SIUE (telephone 692-3180).

**BURGLARY**  
Burglars pried open a door at the home of Steven R. Hale, 191 Sunny Shore Park, Mitchell, and stole a 22 caliber rifle and a portable television set during the weekend.

\$1,668,209 in general fund receipts and \$1,277,778 transferred from other sources.

Disbursements, other than those transferred into other accounts, totaled \$2,938,559 through Dec. 31.

In other council action, City Attorney George Pilcoff was asked to prepare an ordinance that would require railroads to park empty freight cars at least 25 feet from street crossings.

The request was made by Alderman Walter Norn, who said the railroads have been parking empty cars on the crossing at Niedringhaus Avenue and along other streets "so close to the streets that you can't see anything."

Norn said such a practice constitutes a danger to motorists. He also criticized railroads for blocking crossings for long periods of time.

Alderman Frank Greenwald reminded Granite City that the suspension of an open burning ban by the Environmental Protection Agency last fall pertained only to the burning of leaves.

"People are burning everything else, too," Greenwald said.

He noted that residents still are subject to fines for burning anything outdoors other than leaves.

DISPLAYING FASHIONS which they made were these clothing students of Mrs. Alton Brennan at Coolidge Junior High School. A Valentine theme was used for a fashion show and ten for parents in the school cafeteria. Front row from left are Terri Curtis, Cindi Ferguson, Carla Evans, Regina Johannmeier, Susan Range and Tammy Ezell. Second row are Debbie Bigham, Barb Huckelberry, DeDe Browning, Kim

Rapp, Dana Keeling, Denise Briggs, Rhonda Patton and Tracy Bauer. Third row are Rita Walsmsley, Laurie McKinney, Bev Huffman, Angela Griffey, Becky Foote, Jodi Alexander, Vicki Segedy, Terri Bald and Selina Bargiel. Back row are Karen Williams, Mary Strauser, Tammy Gelsinger, Susan French and Patti Jarrett.

OUTSTANDING MODELS at the Coolidge Junior High School fashion show were these girls, selected by their clothing teacher for their outfits, which they made. Seated from left on the steps are Selina Bargiel and Beverly Huffman. Kneeling are Rita Walsmsley and Regina Johannmeier. Standing are Barbara Huckelberry, Dana Keeling and Susan Range. Commentators seated at rear are Vicki Segedy, left, and Laurie McKinney, right.

## J. Geils Band now a headliner

It's taken some time, but the J. Geils Band has finally become a headliner and one of the most exciting rock 'n' roll bands performing today both in person and on records.

Tagged as the bad boys from Boston, their new album called "Ladies Invited" on Atlantic Records, sustains their hefty reputation and indicates that their musical growth has kept pace with their increased fame.

This is the band's fifth album and, as usual, the songs are all new. The penning was done by lead singer Peter Wolf and keyboard man Seth Justman, and many of them are infectious enough to become singles hits.

The band plays all of the cuts in lusty, energetic fashion, sparked by J. Geils guitar riffs, Justman's dandy keyboard work, Danny Klein on bass and Wolf's raw, vigorous vocals.

If it's plain old gutsy rock 'n' roll that turns you on, try "Did You No Wrong," "Take A Chance On Romance," "No Doubt About It" and "Diddy-boppin'." Although the title is misleading because there is so much fine music to be enjoyed by all.

Few groups in rock history have carved out so individual a niche for themselves as Emerson, Lake and Palmer. Their overall artistry, their individual sound and the excitement they create on stage have made Keith, Greg and Carl one of the most popular groups in today's rock pantheon.

Their latest album, "Brain Salad Surgery" on Manticore Records, will secure their place in rock history and surely please their many followers. For those not familiar with the group it would be advisable not to turn your speakers up too loud to start with, because ELP will knock you right through the wall.

Their music blends rock with touches of classical and jazz music, superbly performed by one of today's premier keyboard exponents, Emerson, with stunning vocals and guitar work by Lake and restful drumming by the hard pounding Palmer. It has all the excitement that ELP creates every time out. Some of the really outstanding cuts include "Karn Evil 9," "Jerusalem," "Benny The Bouncer" and "Toccata."

Remember Graham Nash? Well, he scores again with

"Wild Tales" on Atlantic Records. This is the second solo album for the veteran of Crosby, Stills, Nash and Young, one of the most raved about groups in record industry history.

Here, Nash offers 10 new songs which feature his outstanding vocal abilities. A super strong cast of backup musicians and vocalists includes Johnny Barbata, Tim Drummond, David Crosby, Dave Mason, David Lindley, Ben Keith and Joni Mitchell.

The title cut, along with "Prison Song," "You'll Never Be The Same," and "I Miss You On The Line" are all fine examples of this young man's talent and work.

## Festival Friends seeking \$75,000

Friends of the Mississippi River Festival have begun efforts to raise \$75,000 to aid in financing a sixth MRF concert series this summer at SUE.

Mrs. H. C. Grigg is chairman and Nicholas P. Veeder is co-chairman of the MRF Friends. The 1974 Festival is expected to cost over \$700,000 to produce, with as per cent of the total coming from ticket sales and from the Missouri and Illinois state arts councils.

Attendance last year exceeded 200,000 for symphonic and popular music programs, presented for audiences beneath a tent and on the adjacent hillside.

## Elderly praise Price

Congressman Melvin Price (Dem., 23rd Ill. Dist.) has received congratulations from the National Council of Senior Citizens on his 100 per cent voting record on ten key votes during the first session of the 93rd Congress.

The ten 1973 votes included those on amendments to the Vocational Rehabilitation Act, the Older Americans Act, Federal Aid to Highways Act, Legal Services Corporation bill, Labor-Health-Education ap-

propriations, Minimum Wage Bill and the Farm Program Extension. The other votes came on the Health Maintenance Organization Act, the Wage and Price Control Authorization Extension and overriding the veto of the Emergency Medical Services Act.

The National Council regarded these votes as "most important to the interests of senior citizens."

Price was among 99 other

members of the House of Representatives who completed a 100 per cent record. Of the 24 congressmen and two senators from Illinois, Rep. Price was one of only three who voted "favorably to senior citizens" on all ten votes.

He said he has always been a strong supporter of measures designed to improve the lives of older Americans. "Senior citizens have more than their share of problems," Price comments.

"It seems that every adverse situation faced by the average citizen is compounded for the senior citizen. Government must make every effort to compensate for that disparity."

Price said he will continue to support "stronger and more extensive senior citizen legislation."

## WE'VE MOVED. Listen.

■ It's the talk of the Quad Cities. WGNU's popular Party Line program is an everyday feature now, with Granite City Steel sponsoring the first hour from 3 to 4 p.m.

Party Line is a rapid, steady stream of what's happening: Regular reports from City Hall, the Police Department, the high schools, the hospital, the county court house and, of course, the steel mill. Plus local and national news, sports and markets, an occasional special guest, and audience jacksots. If that's not enough, in between there's a chance for you — the listener — to call and say whatever's on your mind.

Party Line, the perfect way to end the afternoon — informed. A very public service of Granite City Steel. Weekdays 3 to 4 p.m. on WGNU/AM, 920 on the dial.

## Named aviation medic examiner

The Federal Aviation Administration has announced reinstatement of the appointment of Dr. R. W. Smith, Granite City Steel's director of medical services, as an aviation medical examiner qualified to perform Class II and III airman physical examinations.

In making the announcement, the FAA noted that the appointment is for the Great Lakes region.

Dr. Smith served as examiner for the FAA while practicing in North Central Missouri before coming to Granite City Steel Nov. 1. An aviator himself, Dr. Smith flies a twin-engine Comanche.

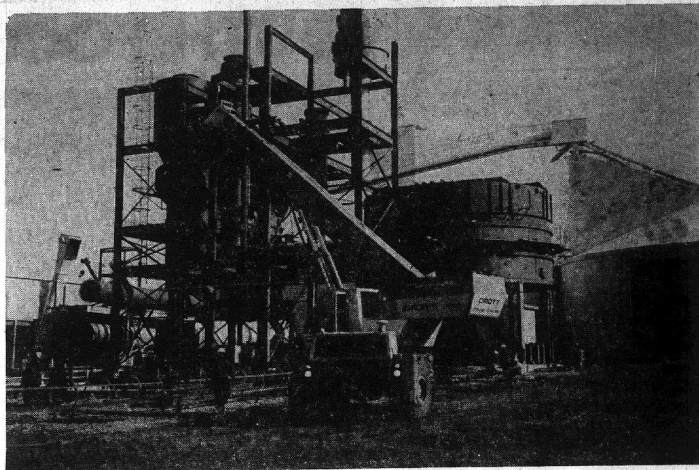

## New site for federal test

The location for the federal service entrance examination, to be given at Southern Illinois University at Edwardsville Feb. 9, has been changed.

David R. Van Horn, director of the SIUE Placement Service, said the examination will be given in the Science Building science laboratory, Room 0210, and will begin at 8 a.m.

Individuals desiring to take the test are to register with the placement office in the General Office Building at SIUE and request the federal service examination booklet. The test qualifies individuals for a variety of positions with the federal government.
